Customer Ticket: WO-FTG440846

FTG or HP ticket #:

Work with Teksetra Tech Support –763-551-4357 **WHILE ON SITE to diagnose and/or order parts IF NEEDED. Please notify the support agent that this is an FTG call and provide the SRO (Teksetra #)**

IF you cannot get ahold of Tekstera tech support, please contact**FTG Tech Support: 480-771-7605**

FTG WO# is listed in the custom fields area.

***** Part Returns: If there is a return label in the box, the USED part must be returned using that label. If parts are UNUSED, please contact FTG Helpdesk and DO NOT USE the included return label. ******

*** ALL Unused parts should be taken offsite until full confirmation of return is needed or not ***

Important Reminders:

- Tech must set an ETA within the first hour of accepting ticket, unless waiting for tracking.
- Teksetra will NOT approve travel requests after the work has been completed/the tech has been onsite. If you are requesting travel for any ticket it must be negotiated and added to the ticket when applying/accepting a work order.
- Tech MUST call 763-551-4355 to checkout (calling tech support is not sufficient) Checking out on every trip is a REQUIREMENT on all break/fix tickets
- Techs are required to call 763-551-4355 or email us at callcenter@teksetra.com to obtain tracking information. Tickets will not be paid for a trip to site if parts are not there and tech failed to check tracking.
- **PARTS SHOULD NEVER BE LEFT ONSITE, including the disposal of used parts.**
- Due to assignment within 24 hours of WO please note there will not be a cancellation fee should the WO need to be cancelled
- **Tickets will remain open for return trips, the technician is responsible for requesting a budget increase for the return visit. Please contact Field Nation if you need assistance with this step.**

Time Reporting / Payment

- Lunch and breaks are not paid
- Keep track of hours by checking in and out of work order
- For hourly workorders, you will be paid for actual hours worked as verified onsite, 2 hour guaranteed minimum
- If for any reason you will arrive late or if you are having any issues, you must call or text the Teksetra workorder manager immediately.
- Technician will not discuss scheduling, pay structure, or Field Nation workorder with anyone onsite. Any questions or concerns should be directed to Teksetra workorder manager only.

Professionalism

- Technician will submit to and provide copy of background check as required at no cost
- Technician will provide appropriate identification to obtain access to the site
- Technician agrees to read and agree abide by the Subcontractor Master Service Agreement in the Policies & Procedures section.
- Technician agrees to arrive on time and conduct their work in a professional manner, acting as a representative of Teksetra
- Dress Code: Clean polo or button-down shirt, prefer blue (no logos). Chino, tech, or utility pants, or dark jeans (clean/no holes). Clean closed toe shoes

SCOPE:

- TECH MUST CALL SITE TO INFORM THEM OF THEIR VISIT AND PROVIDE ETA ONCE TICKET HAS BEEN ACCEPTED
- Tech must arrive wearing business casual clothing (khaki pants and a polo are recommended, the site requests no jeans)
- Tech must carry ID (i.e. driver's license, state ID, military ID or passport) to all sites.
- ******If tech fails to reset the mt count on maintenance kit replacement tickets they will be asked to return at their expense before payment will be processed******
- **Tech must collect page count / meter reading**

Required Tool List (May not be needed for each repair but suggested to carry with to all printer repair tickets):

- Wire Cutters: Small and Large
- Pliers: Small and Large
- Phillips & Flat Head Screw Drivers: Small and Large
- Torx Wrenches: Full Range of Sizes
- Allen Wrenches: Full Range of Sizes
- Packing Tape (In some instances you will be asked to drop off old items at UPS, work orders will not be approved until tracking number verifies old parts have been dropped off at UPS)

SUBCONTRACTOR MASTER SERVICE AGREEMENT

This agreement by and between BLM Technologies dba Teksetra ("Teksetra") and ("Contractor") sets forth the terms and conditions under which Contractor shall supply professional services to Teksetra.

1 **SCOPE OF SERVICES**

All services to be provided hereunder shall be as authorized and defined in the workorder this is attached to, which shall be executed upon acceptance of the workorder and constitute a part of these Terms and Conditions. The workorder and this Agreement shall be construed as being consistent; however, in the event such construction is unreasonable, the provisions of the workorder Statement of Work shall control.

2 **CONFIDENTIALITY OF DATA**

Confidential Information means any and all technical and non-technical information, including trade secrets, know-how and proprietary information, firmware, designs, schematics, techniques, plans or any other information relating to any research project, work in process, future development, scientific, engineering, manufacturing, marketing or business plans or financial or personnel matters relating to either Party or its present or future products, sales, suppliers, customers, employees, investors or affiliates and disclosed or otherwise supplied in confidence by either Party to the other Party, acquired in the course of carrying out the tasks hereunder or as a result of access to the premises of a Party (including in the context of a request for information or request for proposal, or related to discussions between the Parties in anticipation of potential statements of work). Confidential Information includes: (i) information disclosed in a written or other tangible form which is clearly marked with a "confidential" or "proprietary" legend or other comparable legend; (ii) information disclosed orally or visually which is identified as confidential at the time of disclosure and confirmed in writing within a reasonable time; (iii) any other information which a reasonable person would deem confidential under the context of disclosure or due to the nature of the information; Confidential Information will not include information to the extent that: (a) such information is or becomes publicly available other than through any act or omission of either Party in breach of this Agreement; (b) such information was received by the Party receiving the information, other than under an obligation of confidentiality, from a third party who had no obligation of confidentiality to the Party who disclosed the information; or (c) such information was in the possession of the party receiving the information ("Receiving Party") at the time of the disclosure or was independently developed by the Receiving Party without reference to the Confidential Information of the party who disclosed the information ("Disclosing Party").

Both parties acknowledge that in connection with the performance of its duties hereunder it may be provided with or have access to Confidential Information and data which is proprietary to the other and which is so marked as proprietary. Both parties agree to keep confidential all such information and data and shall not disclose same either in whole or in part to any third party without the others written consent.

Both parties agree that without the other's prior written consent, it will not copy or reproduce any information or data or sell, assign, disclose, disseminate, give or transfer any such information or Data or any portion thereof to any third party, at any time whether before or after termination of this agreement.

Both parties further agree that upon termination of this agreement or completion of any task assigned hereunder, it will return all applicable information, data, related notes, and work papers belonging to the other.

3 **CONTRACTOR REPRESENTATIONS**

A Contractor represents that it shall at all times exert its best efforts to diligently perform its assigned duties under this agreement.

B Contractor warrants that all services under this Agreement shall be performed in a professional and workmanlike manner.

C Contractor further represents that all programs, documentation, reports, design or other items prepared by Contractor (termed "Developed Items") under this agreement shall be the property of Teksetra and the original work product of Teksetra, and Contractor shall defend and hold the Teksetra harmless from and against any claim brought against the Teksetra that any Developed Items infringe a United States patent or copyright, or the trade secret or other proprietary right of a third party. The parties agree that Developed Items do not constitute "work made for hire" as that term is defined under Section 101 of the Copyright Act.

D Except as provided above, CONTRACTOR MAKES NO WARRANTIES OR REPRESENTATIONS, EXPRESS OR IMPLIED, IN FACT OR IN LAW, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

4 **TERMINATION**

This agreement may be terminated in the following manner:

A Each phase of this agreement as outlined in the workorder shall terminate upon completion.

B If Teksetra fails to pay any charges when due and Contractor does not receive such payment within 15 days after receipt of written notice to Teksetra.

C By either party upon the default of the other party to perform its responsibilities hereunder, providing that written notice of such default has been given, and providing that such default has not been corrected within the thirty (30) days following receipt of such notice.

D By mutual consent of the parties.

5 DEFAULT

A Failure or breach of any warranty.

B Failure to timely perform any duty, obligation or undertaking required in this agreement, provided that the failure to perform was not the fault of the other party

C If any warranty, representation, or response made in writing in connection with this agreement is untrue in any material respect on the date as of which it was made.

D In the event of a default of either party, provided that the default was not cured pursuant to paragraph 5.C, the non-defaulting party shall have the right, without further notice, to terminate the agreement, and to exercise any, all or any combination of the remedies available at law or in equity.

6 LIMITATION OF LIABILITY

Contractor's liability under this agreement for and all damages, whether direct or indirect, including consequential, shall be limited to the charges paid or to be paid to Contractor under this agreement by Teksetra for the services which gave rise to such damages.

7 INDEPENDENT CONTRACTOR

Contractor represents and warrants that: (1) it is an independent contractor and neither it nor any of its Contractor Personnel assigned to provide Services to Teksetra under this Agreement will be, or be deemed to be for any purpose, an employee or agent of Teksetra, (2) each person assigned to provide services to Teksetra under this Agreement will be and remain an employee of Contractor for the entire period such person is providing services to Teksetra hereunder, unless Contractor specifically identifies such person as a subcontractor in the

applicable Statement of Work (such specification does not relieve Contractor of liability if it is later determined to be incorrect), (3) it is solely responsible for complying with all laws, rules and regulations or any governmental authority having appropriate jurisdiction relating to such employment, including, but not limited to: immigration; taxation; worker compensation; and unemployment compensation, and (4) that Teksetra has no obligation whatsoever to provide liability or health insurance, or any other benefits provided to Teksetra employees for Contractor Personnel, and Contractor Personnel will not claim benefits under Teksetra employee benefit plans or under applicable unemployment or workers' compensation laws from Teksetra for any injuries sustained by Contractor Personnel while performing the Services. Contractor acknowledges that it is solely responsible for the payment of compensation to Contractor Personnel, including without limitation the payment, withholding and transmittal of all applicable taxes and insurance, including, without limitation, payroll taxes, Unemployment contributions and workers' compensation contributions for Contractor Personnel. Additionally, Contractor represents that it assumes full responsibility for handling unemployment and workers' compensation claims involving Contractor Personnel. Contractor will monitor, supervise and direct Contractor Personnel in the performance of the Services for Teksetra.

8 NON-SOLICITATION OF EMPLOYEES

During the period this agreement is in effect, and for a period of twelve (12) months after, each party agrees it will not, without the prior written consent of the other party, solicit the employees or contractors of the other party for the purpose of offering them employment.

9 NONASSIGNABILITY

This agreement may not be assigned without the prior written consent of the other party.

10 BACKGROUND CHECKS

Prior to the provision of Services hereunder, Teksetra will have a background check conducted (at no expense to Contractor), or cause to be conducted third-party background checks on all Contractor Personnel who will be involved in providing Services covered under this Agreement. The background check shall at a minimum include the following; review of national criminal records for crimes committed since the age of 18, or as available in the court record systems; screening for criminal offences including dishonesty, fraud, theft, breach of trust, including money laundering and/or felony convictions; Social Security Number search confirming state of issuance, year of issuance, that the number is not in the Social Security Administration's deceased file and that the number is in a valid range; search of Terrorist Watch Lists and Office of Foreign Asset Control (OFAC) of Specifically Designated Nationals (SDN's) and Blocked Person's lists.

11 NOTICES

Any notice required or permitted to be given hereunder shall be either 1) delivered personally or 2) sent by prepaid certified mail, return receipt requested, and shall not be deemed to have been given until received by the other party. Each party shall specify the address and addressee for receipt of such notices prior to the commencement of this agreement.

12 FORCE MAJEURE

Neither party shall be responsible for delays or failure in performance resulting from acts beyond its control. Such acts shall include but not be limited to Acts of God, strikes, lockouts, riots, acts of war, epidemics, governmental regulations, fire, earthquakes or other disasters.

13 CONTRACTOR RESPONSIBILITIES

A If necessary, the Teksetra will provide appropriate access to the work areas and facilities, consistent with their security procedures, required to effect completion of work tasks.

B If necessary, the Teksetra will reasonably insure that Contractor employees are provided with a safe and secure work environment free of hazards, with adequate heat, Lighting, and air conditioning unless otherwise specified in the workorder.

C If necessary for the completion of Contractor's responsibilities under this agreement, Teksetra will supply adequate secure space for the receipt, storage and/or configuration of equipment.

D Teksetra will provide prompt access to duly authorized Contractor personnel for the purpose of obtaining approvals and additional information required to effect completion of work. In the event that additional information is required, Teksetra will supply such information in a timely manner.

14 **PROFESSIONAL EXPECTATIONS**

The Contractor agrees to provide professionally delivered service per the following expectations and the terms of the workorder.

A <u>Scope of Work</u> Contractor is to review the scope of work in the workorder immediately upon accepting workorder. Contractor will ask Workorder Manager questions where scope of work is unclear, or Contractor is unfamiliar with process in advance of assignment.

i. The Contractor will be reliable in attendance and punctuality and give careful attention to job duties, including deliverables and reporting where required.

ii. The Contractor shall perform work as specified, with reasonable care and judgment, and in a manner to conform with all requirements, specifications, documentation, commercial standards, and applicable laws.

iii. The Contractor will be appropriately trained and have the necessary tools to do the job, i.e., will have the latest image discs, cables, spares (if applicable), and basic tools.

iv. If a Contractor is unsure any aspect of the work to be completed while onsite, they will follow the escalation list provided in the workorder. The Contractor is responsible for timely escalation of any issues to the Teksetra Workorder Manager

v. If the Contractor does not know how to perform the work or does not have the appropriate tools and needs to come back, Teksetra will not assume costs for the return trips.

vi. The Contractor will be provided with the Teksetra Workorder Manager's contact info and the workorder reference number (where applicable) so they can contact the Teksetra Workorder Manager with any questions or issues.

vii. Contractor will follow all other guidelines and requirements specific to the type of work being performed

B <u>Dress Code.</u>

i. The Contractor will be appropriately dressed - in general, business casual. (Chino, tech, or utility type pants, or dark jeans (clean/no holes), a polo or button-down shirt (preferably blue), and clean closed toe shoes

ii. Proper hygiene/grooming is required

iii. Contractor will follow any other dress guidelines as specified by the Workorder Manager.

C <u>Arrival on job site.</u>

i. The Contractor shall arrive onsite no less than 10 minutes before scheduled start time or earlier as specified by Teksetra Workorder Manager.

ii. The Contractor should give prompt report of their late arrival time if necessary, notifying the Teksetra Workorder Manager and any other persons as specified.

iii. The Contractor will arrive onsite with a state-ID (i.e. driver's license) and Teksetra-supplied ID (where applicable) for identification to site contact.

iv. Contractor is expected to greet customer staff, identify him/herself, and sign the guest log if required by the customer.

v. The Contractor will contact the Lead Technician as specified in the workorder for the site (if applicable) upon arrival before contacting anyone else onsite.

vi. Lunch and other breaks are not paid and must be recorded on workorder.

D Professionalism on job site.

i. Contractor will act as representatives of BLM Technologies dba Teksetra and not any other entity.

ii. The Contractor will perform the work in a manner that does not unreasonably interfere with the daily activities of the site, including customers, other vendors, or employees.

iii. The Contractor will limit their conversations to work-related matter.

iv. The Contractor will at all times refrain from negative or offensive communications and other inappropriate messages related to any aspects of the work that may adversely affect the image, reputation, or effectiveness of Teksetra or its customers. Any concerns with work conditions or requirements should be brought directly to the attention of the Teksetra Workorder Manager who assigned the work.

v. Contractor is not to talk to other technicians, contractors, or staff regarding pay or contract details.

vi. Contractor is not to comment or question customer staff on versions of technology platforms, including operating systems, and software.

vii. The Contractor will limit the use of cellphones

1. Use for workorder-related matters while onsite
2. Contractor will maintain the use of professional ringtones and/or set cellphones to silent mode.
3. Playing music is not allowed.
4. Headphones are to be used only when phone is required in scope of work to call in to activate device or technical support is needed.

viii. The Contractor will not ask site contacts to handle their personal matters or assist outside the specified role of the site contact

ix. The Contractor will at all times refrain from taking photographs while onsite, other than as specified as a part of the work requirements

E Completion of work.

i. The Contractor is responsible for verifying all devices and components are working prior to leaving site and shall confirm their proper operation in the presence of the site contact.

ii. The Contractor will not leave site until released by the appropriate entity – i.e. Site Contact or Teksetra Workorder Manager. When the work is complete, the Contractor must call or text the Teksetra Workorder Manager before leaving the site, as specified in the workorder.

iii. When leaving a voicemail Contractor must leave the workorder number as specified in the workorder.

F Contract Lead Technician expectations (where applicable)

i. The Contract Lead Technician will be responsible for all communication between Contractors and site contacts or other vendors.

ii. The Contract Lead Technician is responsible for all reporting to Teksetra Workorder Manager and any other specified parties – e.g. completing site packets, obtaining sign offs, etc.

iii. If required, the Contract Lead Technician will contact the site prior to the onsite work to introduce themselves and remind the site of the scheduled work. Please check workorder for requirements.

iv. The Contract Lead Technician will maintain a list of all Contractors for the work and will confirm the arrival of all personnel.

v. Contract Lead Technician will escort all non-lead Contractors to job site and from the facility.

vi. The Contract Lead Technician will at all times maintain a cellphone in good working condition which can be used to accommodate communications with the site and Teksetra

vii. The Contract Lead Technician will communicate to other Contractors the scope of work and necessary contact numbers

viii. The Contract Lead Technician will maintain a standard stock of necessary supplies and spare inventory (where applicable) as specified by Teksetra and bring their spares to each site as appropriate for scheduled work

G Reschedules

If a reschedule needs to occur or is requested by the customer, here are the expectations.

i. Only the Teksetra Workorder Managers will reschedule work dates. No reschedules should be occurring without the Teksetra Workorder Manager's approval. Absolutely no vendor or Contractor should be rescheduling work dates without the approval of the Teksetra Workorder Manager

ii. If a customer requests a reschedule, the Teksetra Workorder Manager needs to be contacted before the reschedule occurs.

iii. If you need to reschedule the request for any reason, the Teksetra Workorder Manager needs to be contacted immediately.

H Problems and Change Requests

i. Anytime there is a problem with the order (equipment not working, equipment not onsite, branch contact not available, change request needed) the Teksetra Workorder Manager should be the first person contacted

ii. Change Requests - Anytime additional work is needed outside of what the order specified; the Teksetra Workorder Manager is the first person that should be contacted. This should happen before the work is done. Unapproved work

will not be paid for by the customer.

iii. If the Contractor cannot get in touch with anyone, they are to leave a message with Teksetra Workorder Manager.

iv. The Contractor should wait onsite for 30 minutes before leaving. Contact Teksetra when leaving.

15 STANDARD WORK HOURS

Unless otherwise noted in the Statement of Work, the standard work hours for Contractor personnel are 8:00am to 5:00pm local time.

16 ENTIRE AGREEMENT

This is the entire Agreement between the parties with respect to the services provided hereunder and supersedes all prior written agreements, proposals, communications between the parties, whether written or oral.

By accepting this workorder, Teksetra and Contractor, intending to be legally bound, agree to all of the provisions of this Services Agreement set forth above.
