CONFIDENTIAL!

The following information is confidential and should not be seen by anyone but you, the assigned provider.

Confidential Information

Confidential Information:

Job duration as specified in this work order is dependent on skill set/experience. Job is paid out at the rate listed for job completion. In the event of out of scope work Spencer Service Department must be called.
Out-of-Scope work will be need to be approved by the Spencer Service Department and will be paid at 35/hr with approval only. If you do not receive approval prior to completion you will not be paid for your additional time.
Showing up late to jobsite is unacceptable and will incur a 25% reduction in job payout if unexcused. Contact Spencer Service Department ~~(508-635-2100, opt 1)~~ will all related issues.

Customer Standard Instructions:

If for any reason upon arrival and checking in with the Project Manager the work order is cancelled or rescheduled and there was no attempt of communication you will be paid a turn away fee of $35.00. Jobs involving picking up parts at a depot will be reviewed on a case by case basis. At this point you are free to take on any other work and not obligated to Spencer Technologies.

Deliverable Uploads

Make sure you collect and upload any required deliverables into the following deliverable categories:
[ ] Misc

Customer Standard Instructions

****Please Review, Policies Have Changed****
Any deliverables that are listed as required for work order completion must be uploaded to the field nation platform upon completion of the work onsite. Failure to upload all listed deliverables within 24 hours of exiting the job site will result in a 25% penalty to the total labor payment.

While on this work order you are a representative of Spencer Technologies. All interactions with the customer, store personnel and Project Manager should be done in a professional manner. Any questions or concerns about the scope of work should be directed to Spencer Technologies only. Failure to do so may result in removal from eligibility for future work from us.

If for any reason upon arrival and checking in with the Project Manager the work order is cancelled or rescheduled you will be paid a turn away fee of $35.00. Jobs involving picking up parts at a depot will be reviewed on a case by case basis. At this point you are free to take on any other work and not obligated to Spencer Technologies.

Payment Terms: Payment will be processed by Spencer Technologies 8 to 14 days after job has been marked work done on the platform by the Provider.

Failure to upload or provide deliverables and or not follow the check in/out process may result in work order not being completed and redispatched. A**ll client information (deliverables, photos of client equipment, scope of work, manuals, etc..) be kept confidential and only shared between you and Spencer Technologies.**

By accepting the work order you are agreeing to all Terms & Conditions stated herein.

Prices listed are for LABOR only. Operating cost estimation is considered the responsibility of the technicians. Any travel expenses MUST be pre-negotiated in the form of a COUNTER OFFER WITH EXPLANATION before job is accepted. Field Nation fees are the responsibility of the provider and will not approved if listed as an expense after accepting work order.

If number of actual devices is less than listed on a work order, expectation is that pricing will be adjusted accordingly.

All Requests submitted after the job is completed WILL be Denied

Showing up late to job site is UNACCEPTABLE and will result a 25% reduction in job payout and may result in delay in payment due to additional processing.

Customer Policies & Procedures

You MUST read and understand the contents of the Work Order carefully before requesting. KNOW WHO TO CALL IF YOU HAVE QUESTIONS.
IF YOU HAVE AN EMERGENCY AND CANNOT REACH THE PM LISTED ON THE WORK ORDER, CONTACT FIELD NATION IMMEDIATELY SO THEY CAN RELAY THE MESSAGE
