Data to Note

Deliverable Completion Success Code: [required]
Tip: When you submit your online deliverable, the very last page (after hitting Submit) will provide you with a Success Code. This MUST be provided to Essintial when you call in to close & recorded in your work order.

Full Work Description

YOUR WORK ORDER ONLY COVERS ONE VISIT TO SITE. IF CUSTOMER REQUIRES A RETURN VISIT YOU **MUST HAVE ANOTHER WORK ORDER. TIME LOGGED FOR ADDITIONAL DAYS ONSITE WILL BE REJECTED FOR NOT FOLLOWING PROCESSES.**

Required Skills: Basic pc and printer skills with experience installing equipment and performing any required updates; i.e. firmware. Must have a working knowledge of Windows OS and be able to utilize DOS commands. Tech should be able to test the functionality of equipment, and be able to troubleshoot, if necessary.

Start Time: 10:00 AM FIRM - Arriving on time is IMPORTANT! You need to take traffic/rush hour and weather into consideration when scheduling your travel time. Late arrivals not caused by weather may result in penalties. It is in your best interest to arrive early so you are onsite and in the store at the scheduled start time.

Scope of Work: Assist Lead Technician with Completing a Lexmark Printer Refresh Installation (Remove Old Printer, Install New Printer, and Fully Test – Fax, Print, Copy, and Scan) on one or more of the following Lexmark devices: M5255 / XM5365 / XC6153**.** Device Count & Types Varies by site. Detailed instructions are provided and must be followed step by step. Customer will ship to site a Setup/Install Package - Work with Onsite Terminal Manager to obtain package, testing, and sign-off. Technician will need to complete Customers Acknowledgment Form and Essintial Online Deliverable PRIOR to leaving site.

Setup/Install Package – Shipped to Site By Customer Prior to Arrival – Obtain from Onsite "Terminal Manager" upon arrival *(Shipments should take place Aug. 15th)*

- Copy of Instructions
- The **ODFL** Stickers with Printer Name
- The Customer Acknowledgement (CA) forms with serial numbers and printer names - 1 Form Per DEVICE (You be REQUIRED to complete the CA, provide to the Terminal Manager to sign and email the completed form back to **Toshiba**Sign-Off)
- Device Detail Sheet - will provide the OLD & NEW equipment information.

Toshiba Remote Support Contacts: Refer to Instruction Manual

Important Requirements:

- Technician to **WORK WITH / TAKE DIRECTION** from the **LEAD TECHNICIAN** while onsite
- Tech **MUST** download, print – in color, and take with them to site any provided documentation / instruction manuals.
- Tech **MUST** bring their Gov. Issue ID with them to site
- Tech **MUST** represent themselves as a TOSHIBA technician while on site.
- Tech **MUST** Check-In with the TERMINAL MANAGER to obtain the Setup/Install Package that was sent to site prior to your arrival.
- Technician to WORK with LEAD TECHNICIAN while onsite
- Tech **MUST** use the provided Device Detail Sheet to confirm which equipment they are scoped to replace
- Tech **MUST** work with the Toshiba Remote Contacts complete firmware update - DO NOT CONNECT TO NETWORK DURING SETUP
- Tech **MUST** test ALL functions with end user – Tech CANNOT leave site until all print, fax , and scan functions are tested and working
- **Lead** Technician **MUST** complete the **Customers Acknowledgement Forms**
- Take photo copies of ALL Completed CA Forms (To Upload a copy to the Ess Online Deliverable)
- Then hand off to the Terminal Manager to complete the Sign Off and then to email the completed documents to the Toshiba. (Leave with TM but be sure to take a photo copy to provide to Essintial via Online Deliverable)
- All Technicians **MUST** complete **Essintial's Online Deliverable PRIOR to leaving site**
- **Old Devices go into boxes new devices came in, packed up, and moved to onsite location designated by Onsite Terminal Manager**
- **Packaging Material and Trash Must be disposed of in onsite receptacle – work with Onsite Terminal Manager**
- **Toshiba Remote Support Contacts**: Refer to Instruction Manual

Important Site Information:

- **Access** – There will be a security gate - Represent yourself as a **Toshiba**Technician there for a Printer Refresh Install and the Terminal Manager should be expecting you. Be prepared to show your Gov. Issue ID.
- These are **live environments**, and technician must act in a professional manner, taking care not to disrupt business.
- **Dress code** is business casual; no jeans or holes. Collared or button down shirt, slacks, and nice shoes are required.
- You are required to be onsite no later than your scheduled time (penalties will be applied if you are late). Please escalate to Essintial Projects @ 855-612-2183

Required Tools:

- Standard Hand Tools
- Cell Phone or other device that has phone, camera, and internet ability (for online deliverable)

Customer Deliverables (Due to Onsite Terminal Manager Prior to Leaving the Site): ** LEAD TECHNICIAN*****

- Technician **MUST** complete the **Customers Acknowledgement Form**
- Prior to hand off to the Terminal Manager - Take a photo copy(s) of ALL Completed CA Form Forms (which you will be asked to Upload a copy to the Ess Online Deliverable)

- Then hand off to the Terminal Manager to complete the Sign Off and then to email the completed documents to the **Toshiba.**

Essintial Online Deliverables (Due back to Essintial PRIOR TO LEAVING SITE):

- You will be asked to confirm site details
- You will be asked to obtain Lead Tech or Manager/POC Signature
- You will be asked to provide the confirmation code received upon completion of your online deliverables

Physical Requirements:

Must be able to bend, kneel, stand and lift, carry 50lbs repeatedly for extended periods of time. Activities such as climbing ladders, navigating through tight spaces and crawling on unfinished floor should all be expected as part of this work.

Photographic Deliverable Requirement- You are REQUIRED to capture & submit all of the photos asked of you by your assigned support technician.

Your deliverables photos MUST be uploaded to your work order via the online App and MUST be submitted PRIOR TO LEAVING SITE.You are required to be onsite **no later than** your scheduled time, failure to arrive on time could result in a rescheduled event and escalation. Your scope of work is listed in your service title, if you exceed these estimates, you MUST provide a reason. Reasons caused by technician working slow or not following the install guide will not be paid out. Delays caused by customer or helpdesk MUST be documented to support additional pay. **NOTE: You MUST remain onsite until scope is complete or face penalties/non-payment.**

Confirmation, Cancellation & Reimbursements:

You will receive pre-calls at 24 hours and 2 hours prior to your ETA. If you do not answer or reply, you may lose the work as confirmation is a contractual obligation and a cancellation fee will not be granted.

You will not be paid for work performed prior to your work order's scheduled start time. Please contact Essintial if the customer is asking you to deviate from this service date or time

All expenses such as tolls, parking, materials must be pre-approved and accompanied by a receipt. Reimbursements will not be increased to cover markups of any kind.

Upon Arrival at site:

- **CHECK IN TO YOUR WORK ORDER** – if you are unable to do so then you MUST call Essintial @ 855-612-2183 to check in.
- Check-In with**Lead Technician & Terminal Manager** to obtain the **Setup/Install Package** that was sent to site prior to your arrival.
- **Work with Lead Technician and Refer to printed/provided manual for step by step instructions** – additional contact information called out within documents
- **Toshiba**Remote Support Contacts: Refer to Instruction Manual

Upon Completion/Closeout Requirements - MUST be completed prior to leaving site:

- Clean-Up, ask the Terminal Manager where to dispose of any packing material / trach
- Old Devices go into boxes new devices came in, pack up and ask manager where to place these
- Complete the Customers Acknowledgement Form **(LEAD TECHNICIAN)**
- Take photo copies of ALL Completed CA forms (To Upload to the Ess Online Deliverable)
- Then hand off to the Terminal Manager to complete the Sign Off and then to email the completed documents to the Toshiba
- Complete & Submit your Essintial Online Deliverable
- Call the Essintial Project Team @ 855-612-2183 opt 2 to perform your final check out

Attachments - All guides/plans MUST be available either printed or on a laptop/tablet, something other than your mobile device as you will be on the phone a lot and will need to refer to your document at the same time:

2. Provider must enter close out notes

Approval of Work

I acknowledge that the work has been satisfactorily completed.

Name	Arrival Time AM / PM
Signature	Departure Time AM / PM
Date	

CONFIDENTIAL!

The following information is confidential and should not be seen by anyone but you, the assigned provider.

Confidential Information

At no time, should pay rates be discussed with, or in front of, anyone other than the Essintial.

Important Requirements:

You MAY NOT substitute another technician to take your place unless you request and obtain approval from Essintial. The replacement technician must have his own tech ID and back ground check.

If you have to remove yourself from this project YOU MUST CALL Essintial at 855-612-2183 and REMOVE YOURSELF from the work order.

Penalties:

Essintial participates in the Field Nation Provider Quality Assurance Program (PQAP). Our goal is to perform and provide a quality service to the customer. This would in turn allow us to provide you with more work and retain the customer. Performance metrics are provided to our customers. We are subject to the same penalties, therefore, they are also passed down to you when applicable.

No call-no show - backing out of this job with less than 24 hours' notice for any reason - not prepared for the job - causing an escalation or customer issue on the job including but not limited to being late, not having tools, not printing out instructions, not properly dressed or generating a client complaint you will be escalated to Field Nation and subject to the Field Nation penalties in addition to any actions Essintial elects to take, including being BLOCKED from all future work.

10% of your total payment will be deducted if:

There is an onsite action issue or

You do not place the ticket in "work done" status within 24 hours of call completion.

25% of your total payment will be deducted if:

You are late or

You do not hand in all deliverable requirements within 24 hours of call completion.

50% of your total payment will be withheld if not complete within 24 hours;

You do not return the part by providing a valid tracking number or

You do not complete the required deliverables (when applicable).

Failure to follow documented instructions & process as described in the work order.

100% of your total payment will be withheld if not completed within 72 hours:

You do not return the part by providing a valid tracking number or

You leave the site unfinished/ incomplete without being released (i.e. incompetence, walking off the job, etc.)!

You will NOT be penalized for OBF/DOA units and equipment issues not caused by negligence or lack of required skills.

You do not complete the required deliverables (when applicable).

Cancellations:

If for some reason we must cancel the work order less than 24 hours, you will be compensated the standard cancel fee. See current state for the rest of the wording for this section.

****NO SHOWS ON THIS PROJECT WILL RESULT IN TECH BEING BANNED FROM ANY FUTURE WORK WITH ESSINTIAL****

Again, we would like to stress that our goal is to provide a quality service to our customers. We are subject to the same performance reviews that will allow us to provide you with more work or pass down the same penalties.

Deliverable Uploads

Make sure you collect and upload any required deliverables into the following deliverable categories:
[ ] Misc

Customer Policies & Procedures

By accepting this work order you also agree to receive and respond to phone calls and SMS messages confirming your readiness to perform the work as detailed.

WORK ORDER TOUCH POINTS: Requirements for All Essintial Work Orders

1. **REAL TIME UPDATES** is crucial and contractually required. Essintial should not have to contact you for an update, instead you should proactively provide them while onsite and before leaving. Please call 1-800-326-6999**REAL TIME** *(listen to options to be transferred to the correct Dept).*

2. **MEET YOUR ETA COMMITMENTS:** If you are not able to meet an on-site time you must call Essintial at the above number immediately.

*****REAL TIME UPDATES** reporting of the above times are contractually required on every call, they cause escalations when not completed and are taken very seriously*****

*****FAILURE TO MEET THESE CONTRACTUAL OBLIGATIONS WILL RESULT IN A LOW RATING AND/OR AN ADJUSTED OR NON PAYMENT*****

3. **INSTRUCTIONS:** Print and thoroughly read all instructions included in this work order prior to going on-site.

4. **DRESS CODE:** Business casual. NO hats, NO shorts, NO t-shirts, NO sneakers, NO visible tattoos, NO offensive jewelry

5. **WORK ORDER CANCELLATION:**
a. Call Cancelled more than 24 hour notice - $0
b. Call Cancelled less than 24 hours with no travel time or onsite time - $30
c. Turned Away - Tech has arrived onsite but has less than 1 hour "holding" . For Flat Rate/Blended tickets: $30 unless the fixed rate is less than $30, then fixed rate hourly dollar amount would apply. For hourly rate tickets: the hourly rate would be applied to the ticket. (any pre-approved travel fees at time of sourcing will be paid).++
d. Turned Away - Tech has arrived onsite, has 1+ hours onsite "holding" - the following rates apply: If ticket was flat rate or blended pay, $30/hr. For hourly calls, the lesser of $30 or the hourly rate. Any pre-approved travel fees at time of sourcing will be paid++

6. **ON-SITE CONDUCT:** Always be courteous, maintain a professional demeanor, and keep the end user up-to-date during the service event. Firearms or weapons of any kind are not permitted in any circumstance.

6A**.** Essintial Enterprise Solutions is committed to maintaining a workplace free from sexual harassment.
Sexual harassment is a form of workplace discrimination. Unwelcome sexual advances, requests for sexual favors, and other physical, verbal, or visual conduct based on sex constitute sexual harassment when (1) submission to the conduct is an explicit or implicit term or condition of employment, (2) submission to or rejection of the conduct is used as the basis for an employment decision, or (3) the conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment. Sexual harassment may include, but is not limited to, explicit sexual propositions, sexual innuendo, suggestive comments, sexually oriented "kidding" or "teasing", "practical jokes", jokes about gender-specific traits, foul or obscene language or gestures, displays of foul or obscene printed or visual material, written, recorded, or electronically transmitted messages, and physical contact, such as patting, pinching, or brushing against another's body.

7. **PAY:** If you exceed the estimated number of hours, any increase or expense must be approved by a supervisor with a notation in Essintial's systems' audit fields prior to payment processing. Expenses such as travel and per diem must be applied to the ticket and approved at the time the pay is negotiated. Parking and materials used must be approved and accompanied with a receipt prior to payment processing. Do not discuss pay with anyone else on site!

8. **TOOLS:** It is expected that all field technicians carry standard tech tools including screwdrivers, wrenches, pliers, etc. and a laptop. Be sure to also read over your Work Order for contract specific tool requirements.

9. **WHOLE UNIT REPLACEMENT WORK ORDERS:** You must obtain the serial number of both the new and old units and report them when closing the work order.

10. **PROVIDER ASSIGNED:** Only the technician assigned to the work order is to show up on-site unless previous arrangements have been made in writing with Essintial.

11. **PARTS:** Technician assigned to the work order is responsible to return all parts within 48 hours of work order closure. There are different methods of returning parts and the specifics can be found in the "Special Instruction" section of the work order.
a. You MUST include the return tracking number in the closing information.
b. If no instructions are present please escalate to Essintial before leaving site.
c. Some projects do not require part return, please read the work order description carefully. If no parts need returning, disregard this section.

12. **CALL CLOSING/PAYMENT SUBMISSION:** Please be sure to close your Work Order **REAL TIME**. If this is not completed, you risk penalty or nonpayment.

13. **COVID-19:** YOU MUST BE PREPARED TO ADHERE TO FEDERAL, LOCAL AND SITE REQUIREMENTS WHETHER IT BE PROOF OF VACCINATION, FACE MASK, ETC.

14. **Parts Tracking**: If parts were shipped, it is your responsibility to gather Tracking# and ensure delivery BEFORE heading to site. If you do not, you will be paid $0.

15. **CIRCUMVENTING:** Is the practice of acquiring, or the attempt of, any client or end user(s) for the sole purpose to work directly with them. You understand by accepting this work order you are prohibited to these practices and must always have integrity when supporting our clients. Circumvention is a major policy violation and will result in permanent removal from any future opportunities.

*******FAILURE TO MEET ANY OF THE ABOVE CONTRACTUAL OBLIGATIONS WILL RESULT IN A LOW RATING AND/OR AN ADJUSTED OR NON PAYMENT*******
