Data to Note

What is the name of the person you worked with at the helpdesk? [required]

Full Work Description

Check tracking prior to store arrival to confirm parts have been delivered

Before servicing equipment Contact **B&N** Help-desk Support - Do Not Leave A Voicemail Message

BN Helpdesk can be reached at 516-338-8205

Print the WORK ORDER SIGNATURE PAGE and take with you to site.
Have MOD sign off once complete.

Please Note:

IF REPLACING A CASH DRAWER or PRINTER or KEYBOARD
Cash Drawer/Printer/Keyboards are "not hot swappable" so make sure to have the **B&N Help Desk power down register before swapping the parts**

*Check in on the Platform Then Check in with **B&N**Help-desk.

*If you are replacing a Cash Drawer make sure the Till has been emptied by the MOD before completing the swap.

(Do not call the help desk until you are in front of the register you are scheduled to work on)

The Help Desk will remotely shut down the register you are working on

(Verify with the manager that the correct register is being serviced)

1) Make sure that the system is powered down before servicing the register base unit/printer/cash drawer or keyboard.

2) Once service is complete make sure all the cables are securely installed and power on the unit when instructed by Help Desk.

3) Please call **B&N** Help-desk Support to configure the terminal.

4) Test newly installed equipment with the Manager on Duty.

5) Write down the Serial Number and Asset Tag number (If applicable)of the defective unit on the work order if applicable.

6) Make sure to have site contact (MOD) sign off on the work order signature page with the FIRST and LAST name.

7) Check out with **B&N** Help-desk before departing from the site.

IMPORTANT
Failure to follow these next steps could delay payment.

8) Pack up the defective parts in the box that the replacement part arrived in.
Attach the UPS Return shipping label (LOCATED IN THE PACKING SLIP) and TAKE WITH YOU to drop off the package to the nearest UPS location.
(Once the package is tracking payment will be released)

Please Note: Leaving old parts on site will only delay the approval /payment process
If old parts are not tracking within 48 hours of job completion it may be marked as "incomplete" and sent back to you.

9) Please leave detailed closeout notes on the platform including who released you from **B&N** Help Desk**

BN Helpdesk can be reached at 516-338-8205 Option 1 & 6.

Resource coordinator

(Buyer) DataMax General Support Line

Datamax - 847-904-1145

Note:For scheduling, billing, questions or concerns regarding the work order and general help/support. If you can't get a hold of DM General Support, for faster response, please report a problem on the platform. Please provide the SO# or WO#, Tech's Name and Reason/Issue. Thanks

While on-site use your professional judgment.

You are representing DataMax Services.

Always dress professional - No shorts, tank tops, flip-flops or hats.

The manager on duty will be your onsite contact.

PAYMENT INSTRUCTIONS:

1. A manager needs to sign-off on your documentation upon completion, which verifies the time you spent onsite.

2. Upload the signed work order as an attachment.

3. Failure to follow the instructions will result in a 25% pay decrease, revisit to the store, and/or possible reimbursement revoked.

Failure to comply with any or all of the above will result in a reduced payment or nonpayment

Any damage due to insufficient or improper packaging will result in reduce payment or an insurance claim with the provider’s insurance for the replacement or repair cost of the damaged item.

Deliverable Uploads

Make sure you collect and upload any required deliverables into the following deliverable categories:
[ ] that is the work order signature page, please be sure to collect the first and last name of the manager on duty (MOD).
[ ] Misc

Customer Standard Instructions

You must submit your work order for completion within 24 hours of completing the scope of work and include all required deliverables. If the work order is incomplete, or the deliverables are not provided within that time, this work order may be subject to cancellation/non-payment.

Amidst the efforts to control the spread of the corona virus, we are concerned for your health as well as those of your loved ones and our customers. In an effort to promote that we ask that you all take the following steps at a minimum.

- ***Practice proper Social Distancing, as directed by the CDC. This means you must wear a proper face mask whenever proper social distancing cannot be maintained, you are working in an enclosed space with others, and always when directed by the customer, REGARDLESS of circumstances.***
- ***Do not take any work if you are ill or have early warning signs of an infection.***
- ***If you have recently been or are infected, do not take any work for at least 2 weeks.***
- ***Wash your hands as often as is practical and always before or as soon as you enter a customers location.***
- ***Carry a clean box of tissues to use if you sneeze or cough.***
- ***Do not shake hands with anyone and maintain a greater distance than normal when interacting with staff (six feet is recommended but we realize that is not practical).***
- ***Carry hand sanitizer and wipes with you at all times and use it.***
- ***Carry a bottle of at least 60% Iso-propyl alcohol and a clean cloth to use on IT equipment surfaces.***
- ***PRINT YOUR WORK ORDERS FOR SIGNATURE, as an On-Site Contact may not be comfortable signing your phone/tablet. Alternatively, if you do not have a printed WO to sign, you should turn on your GPS when checking-in and out.***

Thank you for your firm adherence to these important hygiene practices and thank you for all your support. Together we will keep our customers stores running during this difficult episode. It will be behind us before we know it.

Customer Policies & Procedures

Material Reimbursement:
Standard blue or gray cabling is reimbursed at:

- up to $0.27 per foot, terminated with RJ45 jacks for CAT5e Plenum
- up to $0.33 per foot, terminated with RJ45 jacks for Cat6 Plenum
- up to $0.23 per foot for any cable not accompanied by a receipt

Cable material installed MUST NEVER BE CCA (Copper Clad Aluminum) grade. Any CCA cable installed will result in us filing an insurance claim with you for damage reimbursement to replace the cable and will include parts and labor. Proof must be provided of cable used by providing a picture of the box of cable and date of purchase. Any other, non-cable material used will be reimbursed, at incurred cost, only with an accompanying receipt, no exceptions.

Penalties and Bonuses:
Work Orders eligible for a bonus will be deemed ineligible for any bonus if a counter-offer is accepted.

WO Payment and Absence Policy:
Exceeding Max Hours must be approved by the Buyer via phone and WO Messages before it is exceeded and must have sufficient justification for exceeding the Max Hours. GPS showing check in/out at a location other than the job site may incur a penalty for hours not worked.

Fixed rate is meant to cover the entire dispatch and should never be interpreted to be an hourly rate.
If technicians are unable to make it to site, the WO Manager must be informed the day before. If there is an emergency, let the WO Manager know ASAP.

25% REDUCTION IN PAYMENT IF YOU ARE LATE AND 10% PENALTY FOR EACH PORTION OF THE WORK ORDER NOT COMPLETED (UNLESS OTHER AMOUNT IS POSTED.) NO EXCEPTIONS!

If you need to cancel a work order with less than 24 hours notice please call the DataMax Project Manager AND send a message.

Code of Conduct:
Identify yourself as a DataMax Services tech to everyone you communicate with throughout this work order!

Never discuss payments, finances, or make reference to Field Nation to any of Buyer's clients or end-users.

Print a copy of your work order and bring with you to the site along with a valid ID.

Adhere to a "Business Casual" dress and hygiene code. Utilize professional judgement, communication, and demeanor. No excessive or unauthorized communication is allowed. Absolutely no touching or profanity of any kind.

If anything is unsafe or inaccessible to complete the work call the WORK ORDER MANAGER.

(If applicable in your work order description/instructions) When checking in/out and when speaking to help desk personnel, use the following introduction, "Hi, my name is (STATE YOUR FIRST and LAST NAME ONLY) calling from (STATE THE STORE NAME, STORE NUMBER, CITY, AND STATE). I am checking in/out or am in need of technical assistance."

Wherever you see "this Platform" or "Platform", we refer to the Field Nation Platform.

Liabilities:

Contractor further acknowledges and agrees that the Contractor is solely responsible for payment of all applicable state and federal self-employment withholding taxes, including FICA, Medicare, FUTA and other related taxes or charges, and that the Company or Company's customers shall neither withhold nor pay such or similar taxes on behalf of Contractor. The Company or Company's customers shall not cover Contractor under any worker's compensation policy the Company or Company's customers may obtain. To the fullest extent permitted by law, Contractor shall indemnify Company or Company's customers from all damages, losses, or expenses, including attorney's fees, from any claims or damages for bodily injury, sickness, disease, or death, or from claims for damages to tangible property, other than the Work itself. This indemnification shall extend to claims resulting from performance of this Work Order and shall apply only to the extent that the claim or loss is caused in whole or in part by any negligent act or omission of Contractor or any of its agents, employees, or subcontractors. This indemnity shall be effective regardless of whether the claim or loss is caused in some part by a party to be indemnified. Contractor agrees to hold Company or Company's customers harmless in the event of damages or injuries due to any negligence on their part, and that they will pay all legal and defense costs associated with any damages or injury claims.
