Full Work Description

***** PLEASE REVIEW THE WORK ORDER IN FULL AS REQUIREMENTS AND PROTOCOL CAN CHANGE *****

EXPECTATIONS & OBJECTIVE:

- Approximately 1-2 hours on-site in a residentialsetting, with a customer experiencing hearing loss.
- ***Phase 1 – Registration and Phone Install***: Expect this to take about 20 minutes. Be prepared to troubleshoot as needed to ensure successful phone connectivity and pairing.
- ***Phase 2 – Training***: The remainder of your visit should focus on teaching. This includes guiding the customer through phone use, adding contacts and making a practice call, connecting them to our team via their Welcome Call, and addressing any questions to ensure they're confident with their new phone before leaving the site.
- Patience, empathy, and kindness is paramount!

SCHEDULING & ARRIVAL:

- ClearCaptions operates on a Hard Start schedule to ensure the best possible service experience for our customers and afford Trainer-techs (you) the ability to take on and promptly move onto other jobs post installation completion.
- Trainer-techs are expected to contact customers ≥24hrs in advance of the scheduled install appointment as a courtesy confirmation call.
- ***We do not permit Rescheduling or Cancellations, but if/when it's required***: Trainer-techs must contact ClearCaptions' to request at least 48 hrs. in advance of the work order date and time via Support at **866-868-8695** even if/when a customer suggests and/or agrees to a new time.
- Check-in/Check-out must be completed while onsite. If installation cannot start or be completed for any reason, you must garner ClearCaptions' approval prior to exiting site.
- ***If you arrive "late"***: Your arrival time will not be adjusted, and when past Field Nation's 15-minute grace period will impact your timeliness rating. We will not take calls requesting arrival time overrides, so please plan accordingly.
- Detailed information regarding contacting customers and Clear Captions' scheduling protocol can be found within Documents under "*Customer Contact and Installation Scheduling Policy*". **Last updated 4/1/25*

REQUISITES:

- ***Customer must be present for entirety of Install (the registered user listed as the Location Contact in the Work Order).*** If customer is not home and not reachable, or to confirm if an approved Power-of-Attorney is on site call Support at **866-868-8695**.
- The phone kit will already be on site. ***The kit does NOT include required tools listed.***As of December 2024, an RJ11 Splitter will be included with the Phone Kit accessories.
- ***No agent other than the assigned provider is permitted to be onsite or complete installation even if agent is part of a service company.***
- Trainer-techs are prohibited from mounting the caption phone and/or creating any structural changes to a work site. This is including but not limited to drilling holes and running cable.
- ***Recording and/or retaining customer login credentials or personal information is strictly prohibited.***
- ***As of 4/21/25, ClearCaptions will be piloting a new process on a random subset of our required Welcome Call. This is to allow us testing around what helps drive the best combined service to customers and ensure they are set up for success during your visit.***

DRESS CODE: Our requirement is that providers show up clean and presentable wearing business casual attire. Slacks or jeans (no holes/patches), closed-toed shoes, and a polo shirt, NO hats during installation.

PRE-INSTALL CALLOUTS:

- ***Review the required tutorials, linked in your Tasks.*** These are designed to help make you and this installation successful!
- Download and reference "Installation Checklist" in Client Documents for step-by-step instruction. **Last updated 4/1/25*
- A full flip through "*Phone Guide*" for training the customer can be accessed here: **https://rb.gy/ifegij**.
- End customer's **Username** and **Password** are located under Buyer Custom Fields in the Work Order. If this information is not viewable ensure you are correctly checked in onsite and call Support at **866-868-8695**.

CUSTOMER IDENTITY VALIDATION:

Please note. This install will be required to follow a new Document Management System (DMS) protocol outside of the in-phone set-up to consent and validate customers' identity, as set forth by the FCC.

- Identity validation is necessary to protect the fund that pays for the captioning service so it can be made available to qualified and registered users at no cost. The FCC requires ClearCaptions to verify the account information customers provide when signed up for our service and share that information with the FCC's Telecommunications Relay Service User Registration Database (TRS-URD). Doing so will allow us to continue to provide our service to end users.
- Required steps for following the DMS protocol are included in the "Installation Checklist" attached to this work order, and Training Video, FAQs and Document Matrix for remediation documentation uploads are accessible through Client Documents.
- ***This process must be complete in full before opening the phone.*** Failure to follow protocol will result in forfeiture in pay. Validation success will be verified on the required Welcome Call.
- ***This may require uploading photos of customer documentation and must be legible to pass.*** Meaning no blur and/or content outside the borders of the qualifying document alone.
- ***Only the camera feature that is built into the DMS platform may be used to capture customer information for upload***. DO NOT take a picture and retain customer identity documents on your phone/tablet/device, and DO NOT load any customer personal information into this Field Nation work order (e.g. in deliverables). If you run into upload issues in the DMS platform, contact Support at **866-868-8695**.
- If a customer requests a copy of the electronic records they signed, please advise that the records aren't readily available for download in DMS and will need to be produced and shared with the customer by ClearCaptions' corporate office. Contact Support at **866-868-8695**.

PAYMENTS:

- ***To be paid in full, Trainer-techs must***: Complete all required job elements in entirety, including but not limited to: processing customer consent and identity verification through the designated portal, "Welcome Call" execution and posting, installed phone that is paired and fully operating while on site, and no reported problems.
- All travel must be submitted in a counteroffer and be pre-approved prior to assignment. We do not honor travel pay submitted after Work Order acceptance and/or completion. Tools/cables used must have an uploaded receipt for pay out.
- ***At no point are Trainer-techs permitted to request payment from customers.***
- ***Use of "Discounts" feature to adjust pay is prohibited.*** Please document any issues under "Report a Problem" from the Work Order for proper review and adjustments.
- Detailed information regarding ClearCaptions' payment structure can be found within Client Documents under "*Work Order Payment Policy*". **Last updated on 4/1/25*

TROUBLESHOOTING:

- Call Support at **866-868-8695** for issues preventing the installation and/or for VoIP conversion if applicable.
- VoIP Conversion guidance is available in the *Attached Files* link under Additional Information > Client Documents.
- ***Use of your own "hotspot" to connect a customer's captioning phone is strictly prohibited.***

Customer Standard Instructions

English proficiency is necessary to the safe and efficient operation of ClearCaptions' captioning service and is thus a requirement for work order assignment. English proficiency includes the ability to speak and understand English, and the ability to read and write English. Tasks requiring English proficiency include but are not limited to: conversing with English-speaking customers, understanding and troubleshooting the captioning system and/or customer inquiries aurally, verbally and in writing, reading and comprehending reference tools, trainings, manuals, and work order details critical to installation completion, facilitating identity validation and consent requirements as required by law with English-speaking customers, as well as completing written portions of training in English.

Customer Policies & Procedures

Customer Privacy Agreement:
Reference is hereby made to the Standard Work Order Terms and Conditions of Field Nation, LLC, a Minnesota limited liability company, last modified December 11, 2020 (as may be amended or revised from time to time, the "Work Order Terms"). This Work Order Supplement (this "Supplement") is being provided pursuant to Section 1.1(f) of the Work Order Terms for the purpose of adding other specific terms of the Work Order submitted by ClearCaptions LLC, a Delaware limited liability company ("Buyer"). To accept the Work Order, a Provider must also accept all of the terms and conditions of this Supplement. Acceptance of the Work Order will constitute acceptance by Provider of the terms and conditions of this Supplement, all of which terms and conditions shall be deemed to be incorporated by reference into the Work Order Terms. Capitalized terms used, but not defined, herein shall have the meanings assigned to them in the Work Order Terms.
Provider agrees as follows:

1. Customer Proprietary Network Information. Provider will not collect, use, retain, disclose, sell or otherwise make available (collectively, "Use") Customer Proprietary Network Information for any purpose other than for the purpose of performing the Services, and will at all times ensure that the Use of Customer Proprietary Network Information by Provider is in compliance with all applicable laws.
For purposes of this Addendum, "Customer Proprietary Network Information" means:
(1) Information that relates to the quantity, technical configuration, type, destination, location, and amount of use of a telecommunications service used by any customer of a TRS provider (as defined in 47 CFR § 64.5103(s)); and
(2) Information regarding a customer's use of TRS (as defined in 47 CFR § 64.5103(p)) contained in the documentation submitted by a TRS provider to the TRS Fund (as defined in 47 CFR § 64.5103(4)) administrator in connection with a request for compensation for the provision of TRS.
2. Consumer Privacy.
A. Provider agrees and acknowledges that Provider shall be deemed to be a "service provider" under the California Consumer Privacy Act of 2018, as amended (Cal. Civ. Code §§ 1798.100 to 1798.199) ("CCPA").
B. Provider agrees that Provider will only Use the "Personal Information" of Buyer's "Consumers" for the specific purpose of providing the Services. For purposes of this Section 4, the terms "Personal Information" and "Consumer" have the meanings given to them by the CCPA. (Cal. Civ. Code §§ 1798.140, subds. (g) (Consumer) & (o)(1) (Personal Information)).
C. Provider will not Use Personal Information for any purpose other than for the purpose of performing the Services, and will at all times ensure that its Use of Personal Information complies with the CCPA. If Provider purports that Provider is required by law or that there is any other reason to Use Personal Information for a purpose unrelated to the Services, Provider must first inform Buyer as well as the Consumer to whom such Personal Information belongs of the purported legal requirement and give Buyer and such Consumer an opportunity to object or challenge the requirement, unless the law prohibits such notice.
D. Provider will limit the collection, use and retention of Personal Information to only what is necessary for the specific purpose of performing the Services.
E. Provider will promptly comply with any Consumer request or other instruction by Buyer requiring Provider to disclose, amend, transfer or delete Personal Information, or to stop, mitigate or remedy any unauthorized processing.
F. Provider will notify Buyer within ten (10) business days if Provider receives any complaint, notice, or communication that directly or indirectly relates to either Provider's or Buyer's compliance with the CCPA, including a verifiable consumer request under the CCPA.
G. Provider hereby represents that Provider has read and understands the requirements of the CCPA and Provider's obligations as a service provider under the CCPA.
H. Personal information shall be subject to the nondisclosure requirements set forth in Section 2.
3. Mandatory Training. Provider shall (i) complete all training requirements set forth by Buyer's Compliance Department prior to performing any of the Services, and (ii) complete any re-training requirements set forth by Buyer's Compliance Department annually for as long as the Work Order Terms or any Work Order remains in effect.
4. Nondisclosure of Customer Proprietary Network Information and Personal Information.
A. Nondisclosure. Provider shall not disclose or permit disclosure of any Customer Proprietary Network Information or Personal Information to any third party or use such information for any purpose other than performing the services set forth in the applicable Work Order (the "Services"). Provider shall notify Buyer promptly in writing if Provider becomes aware of any loss or disclosure, or potential loss or disclosure, of any Customer Proprietary Network Information or Personal Information, which notice shall describe such loss or disclosure or potential loss or disclosure in reasonable detail.
B. No Duplication; Return of Materials. Provider agrees, except as otherwise expressly authorized by Buyer, not to make any copies or duplicates of Customer Proprietary Network Information or Personal Information. Any materials or documents that have been furnished by Buyer to Provider in connection with the Work Order Terms and the Work Order shall be promptly returned by Provider, accompanied by all copies of such documentation, within ten (10) days after (a) the termination of the Terms and Conditions or the applicable Work Order or (b) the written request of Buyer. Upon the request of Buyer, Provider shall promptly confirm in writing to Buyer that Provider has complied with its obligations under this Section 2.
