Full Work Description

COVID RELATED REQUIREMENTS WILL VARY BY SITE, YOU MUST BE PREPARED TO ADHERE TO FEDERAL, LOCAL AND SITE REQUIREMENTS WHETHER IT BE PROOF OF VACCINATION, FACE MASK, ETC.

Before going to site make sure you are printing the CHECK LIST and INSTALL GUIDE! (ATTACHMENTS TO THIS WORKORDER)

Required Skills: Experience installing POS equipment, specifically Debit Readers (pin pad devices). Technician should be able to follow detailed instructions, and troubleshoot when necessary.

Scope of Work: Technician needed for installation services of the Guest Payment Devices (GPD): Target Lane8000 at specified Target location(s). Scope will vary slightly per store, and will be specified in the **Custom Fields section** of this work order. Tech to follow provided installation instructions step by step. Please do not skip over any steps or go out of order as this will cause significant delays and possible escalations.

- Check in with MOD and retrieve
- If store team is unable to locate, utilize the RFID tracking tag and supplemental instructions to locate in store o Complete inventory prior to starting any deinstall or installation of new equipment using the enclosed packing list
- Page 8 of the installation manual details stand types for specific fixture type and pages 9-11 show diagrams and photos of the different fixtures. Any discrepancies need to be addressed with PM prior to moving forward with installation.
- ComputaCenter DS Team should be contacted to complete a PRE-HEALTH CHECK for all POS
- During installation if any issues arise with a new device, tech must call DS team to complete troubleshooting. See below for instructions on OBF equipment. NOTE: These devices need to be handled with care.
- Once all devices are installed, tech is required to contact DS team to complete final validation of all devices, a POST HEALTH CHECK, as well as in-store testing with a Store Leader as per the installation manual.
- Box up any unused equipment and give to a team member "**DO NOT PUT WITH THE OLD EQUIPMENT**"
- Box up old units and put return label on the box.
- **If there are any extra new units or mounts DO NOT BOX THEM WITH THE OLD UNITS!**
- **New units and mounts should be given to the store team to put into the secure area. The DS team will have a lable created so the items can be shipped back to ATR.**
- **OBF PROCESS:**
- If DS has deemed a unit an OBF the following process is **REQUIRED**to be followed
- Tech to report Register number (IE: SCO170, Electronics 112, etc.)
- Serial number of OBF Ingenico unit

- Unit should be placed back in its original box, labeled as OBF, and request made to DS Team for an ATR label to be printed at the store. Tech to adhere label and work with store to place in shipping so the unit can be returned.
- All old Verifone units should be packed back into the Ingenico boxes for return to Target HQ and the provided return labels adhered so these can be shipped by store team.

DELIVERABLE REQUIREMENTS:

Photos must be sent from site prior to tech being released to GPDRefresh@computacenter.com Email Subject Line: TXXXX – GPD Refresh

- Photo of each newly installed GPD – photo should be labeled for register number (IE: REG0061, REG124, etc)
- Photo of all old Verifone devices boxed, with return shipping label attached and clearly visible
- Log of any OBF devices (see above – register number and serial required)

Upon Completion/Closeout Requirements:

- Fill out the Qualtrics link in you the custom field
- Call the DS team to be released
- Fill out the closing notes in details
- Out of scope work: In details please explain why you went of the expected time onsite (example: unable to get access to site, time looking for inventory, any troubleshoot HD ask of you, any customer delay's due to site)

CONTACT INFORMATION:

- ComputaCenter DS: **1-888-645-4110 Option 3**
- PM Sarah Hornung: **440-812-5178**
- GPDRefresh@computacenter.com – this email distro includes DS Team, PM Sarah Hornung, and PC

Old Devices:

- Note: our techs will not have to scrub old devices, only capturing the Asset tag and SN data prior to packing up the devices.
- Tech to use pre-printed return labels provided in the boxes the new devices came in to ship all required devices to designated disposition location
- Includes devices being requested as returned for reuse or resale (use packaging from new devices)
- Provide photo of packaged hardware with tracking # showing

Important Site Information:

- These are live environments, and technician must act in a professional manner, taking care not to disrupt business. Technicians are required to dress and conduct themselves in a suitable manner, including treating all people with dignity and respect and refrain from wandering into areas that do not pertain to your designated area of work. Dress code is **business casual; no jeans or holes. Collared or button down shirt, slacks, and nice shoes required**.
- You are required to be onsite **no later than** your scheduled time (penalties will be applied if you are late). You are required to stay onsite until the work is complete and you are properly released.
- **Tech must represent themselves as a Computacenter Technician** during introductions and for the duration of the time onsite
- **Note: Any delays onsite; i.e. manager won't let tech begin work, waiting on lanes to be unoccupied, etc. MUST be escalated to the Deployment Support Team and detail of the delay given and noted in your closing information**

Physical Requirements:

Must be able to bend, kneel, stand and lift, carry 50lbs repeatedly for extended periods of time. Activities such as climbing ladders, navigating through tight spaces and crawling on unfinished floor should all be expected as part of this work.

Required Tools:

- Basic Hand Tools
- #1 and #2 Phillips bit
- 5/32" Hex Security bit
- Drill
- Work/Protective Gloves
- Hammer
- Masking Tape
- Marker

- Face Masks - in case a member of management asks you to wear one
- Smartphone and charger (must have phone, camera, and internet ability)
- Government issued photo ID

Additional Tools Onsite (will be shipped by us to your site location prior to the assigned date of service):

- Envelope with screws (These are additional screws for units and are for a limited number of sites, indicated in the Custom Reference section of your work order)
- *For Stores with Cash Drawer SCO: #12 x 1" self-drilling screws, with a 5/16" hex head (3 per SCO)

Confirmation, Cancellation & Reimbursements:

You will receive pre-calls at 24 hours and 2 hours prior to your ETA. If you do not answer or reply, you may lose the work as confirmation is a contractual obligation and a cancellation fee will not be granted.

You will not be paid for work performed prior to your work order's scheduled start time. Please contact Essintial if the customer is asking you to deviate from this service date or time

All expenses such as tolls, parking, materials must be pre-approved and accompanied by a receipt. Reimbursements will not be increased to cover markups of any kind.

Upon Completion/Closeout Requirements - MUST be completed prior to leaving site:

Photos must be sent from site prior to tech being released to GPDRefresh@computacenter.com

Online Deliverable - THIS MUST BE COMPLETED AND SUBMITTED PRIOR TO CHECKING OUT WITH THE BRANCH MANAGER (you will be collecting the manager's signature) and BEFORE LEAVING THE BUILDING !!! :

- Tech will be asked to confirm site/location details
- Tech will be asked to provide a photo of each new gpd, labeled with register #
- Tech will be asked to provide a photo of all old boxed up units with shipping label attached/showing
- Tech will be asked to obtain the Manager on Duty's signature
- Tech will be asked to provide the confirmation code received upon completion of your online deliverables

Attachments - Install instruction which need to be followed step by step. Please print and take to site with you.

- **Ingenico Lane 8000 NPT_rollout_V3_061323.pdf -** Installation Guide - Print, in color, and bring with you to site for reference.
- **GPD Refresh RFID Tag Locate Documentation_v2 -** Instructions to pair your phone to the RDID Tag reader for use in store - Print, in color, and bring with you to site for reference.

1. Provider must check out
   (Code 104 107 463 408 73#)
2. Provider must enter close out notes

Approval of Work

I acknowledge that the work has been satisfactorily completed.

Name	Arrival Time AM / PM
Signature	Departure Time AM / PM
Date	

CONFIDENTIAL!

The following information is confidential and should not be seen by anyone but you, the assigned provider.

Confidential Information

At no time, should pay rates be discussed with, or in front of, anyone other than the Essintial.

Important Requirements:

You MAY NOT substitute another technician to take your place unless you request and obtain approval from Essintial. The replacement technician must have his own tech ID and back ground check.

If you have to remove yourself from this project YOU MUST CALL Essintial at 855-612-2183 and REMOVE YOURSELF from the work order.

Penalties:

Essintial participates in the Field Nation Provider Quality Assurance Program (PQAP). Our goal is to perform and provide a quality service to the customer. This would in turn allow us to provide you with more work and retain the customer. Performance metrics are provided to our customers. We are subject to the same penalties, therefore, they are also passed down to you when applicable.

No call-no show - backing out of this job with less than 24 hours' notice for any reason - not prepared for the job - causing an escalation or customer issue on the job including but not limited to being late, not having tools, not printing out instructions, not properly dressed or generating a client complaint you will be escalated to Field Nation and subject to the Field Nation penalties in addition to any actions Essintial elects to take, including being BLOCKED from all future work.

10% of your total payment will be deducted if:

There is an onsite action issue or

You do not place the ticket in "work done" status within 24 hours of call completion.

25% of your total payment will be deducted if:

You are late or

You do not hand in all deliverable requirements within 24 hours of call completion.

50% of your total payment will be withheld if not complete within 24 hours;

You do not return the part by providing a valid tracking number or

You do not complete the required deliverables (when applicable).

Failure to follow documented instructions & process as described in the work order.

100% of your total payment will be withheld if not completed within 72 hours:

You do not return the part by providing a valid tracking number or

You leave the site unfinished/ incomplete without being released (i.e. incompetence, walking off the job, etc.)!

You will NOT be penalized for OBF/DOA units and equipment issues not caused by negligence or lack of required skills.

You do not complete the required deliverables (when applicable).

Cancellations:

If for some reason we must cancel the work order less than 24 hours, you will be compensated the standard cancel fee. See current state for the rest of the wording for this section.

****NO SHOWS ON THIS PROJECT WILL RESULT IN TECH BEING BANNED FROM ANY FUTURE WORK WITH ESSINTIAL****

Again, we would like to stress that our goal is to provide a quality service to our customers. We are subject to the same performance reviews that will allow us to provide you with more work or pass down the same penalties.

Deliverable Uploads

Make sure you collect and upload any required deliverables into the following deliverable categories:
[ ] Misc

Customer Policies & Procedures

By accepting this work order you also agree to receive and respond to phone calls and SMS messages confirming your readiness to perform the work as detailed.

WORK ORDER TOUCH POINTS: Requirements for All Essintial Work Orders

1. **REAL TIME UPDATES** is crucial and contractually required. Essintial should not have to contact you for an update, instead you should proactively provide them while onsite and before leaving. Please call 1-800-326-6999**REAL TIME** *(listen to options to be transferred to the correct Dept).*

2. **MEET YOUR ETA COMMITMENTS:** If you are not able to meet an on-site time you must call Essintial at the above number immediately.

*****REAL TIME UPDATES** reporting of the above times are contractually required on every call, they cause escalations when not completed and are taken very seriously*****

*****FAILURE TO MEET THESE CONTRACTUAL OBLIGATIONS WILL RESULT IN A LOW RATING AND/OR AN ADJUSTED OR NON PAYMENT*****

3. **INSTRUCTIONS:** Print and thoroughly read all instructions included in this work order prior to going on-site.

4. **DRESS CODE:** Business casual. NO hats, NO shorts, NO t-shirts, NO sneakers, NO visible tattoos, NO offensive jewelry

5. **WORK ORDER CANCELLATION:**
a. Call Cancelled more than 24 hour notice - $0
b. Call Cancelled less than 24 hours with no travel time or onsite time - $30
c. Turned Away - Tech has arrived onsite but has less than 1 hour "holding" . For Flat Rate/Blended tickets: $30 unless the fixed rate is less than $30, then fixed rate hourly dollar amount would apply. For hourly rate tickets: the hourly rate would be applied to the ticket. (any pre-approved travel fees at time of sourcing will be paid).++
d. Turned Away - Tech has arrived onsite, has 1+ hours onsite "holding" - the following rates apply: If ticket was flat rate or blended pay, $30/hr. For hourly calls, the lesser of $30 or the hourly rate. Any pre-approved travel fees at time of sourcing will be paid++

6. **ON-SITE CONDUCT:** Always be courteous, maintain a professional demeanor, and keep the end user up-to-date during the service event. Firearms or weapons of any kind are not permitted in any circumstance.

6A**.** Essintial Enterprise Solutions is committed to maintaining a workplace free from sexual harassment.
Sexual harassment is a form of workplace discrimination. Unwelcome sexual advances, requests for sexual favors, and other physical, verbal, or visual conduct based on sex constitute sexual harassment when (1) submission to the conduct is an explicit or implicit term or condition of employment, (2) submission to or rejection of the conduct is used as the basis for an employment decision, or (3) the conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment. Sexual harassment may include, but is not limited to, explicit sexual propositions, sexual innuendo, suggestive comments, sexually oriented "kidding" or "teasing", "practical jokes", jokes about gender-specific traits, foul or obscene language or gestures, displays of foul or obscene printed or visual material, written, recorded, or electronically transmitted messages, and physical contact, such as patting, pinching, or brushing against another's body.

7. **PAY:** If you exceed the estimated number of hours, any increase or expense must be approved by a supervisor with a notation in Essintial's systems' audit fields prior to payment processing. Expenses such as travel and per diem must be applied to the ticket and approved at the time the pay is negotiated. Parking and materials used must be approved and accompanied with a receipt prior to payment processing. Do not discuss pay with anyone else on site!

8. **TOOLS:** It is expected that all field technicians carry standard tech tools including screwdrivers, wrenches, pliers, etc. and a laptop. Be sure to also read over your Work Order for contract specific tool requirements.

9. **WHOLE UNIT REPLACEMENT WORK ORDERS:** You must obtain the serial number of both the new and old units and report them when closing the work order.

10. **PROVIDER ASSIGNED:** Only the technician assigned to the work order is to show up on-site unless previous arrangements have been made in writing with Essintial.

11. **PARTS:** Technician assigned to the work order is responsible to return all parts within 48 hours of work order closure. There are different methods of returning parts and the specifics can be found in the "Special Instruction" section of the work order.
a. You MUST include the return tracking number in the closing information.
b. If no instructions are present please escalate to Essintial before leaving site.
c. Some projects do not require part return, please read the work order description carefully. If no parts need returning, disregard this section.

12. **CALL CLOSING/PAYMENT SUBMISSION:** Please be sure to close your Work Order **REAL TIME**. If this is not completed, you risk penalty or nonpayment.

13. **COVID-19:** YOU MUST BE PREPARED TO ADHERE TO FEDERAL, LOCAL AND SITE REQUIREMENTS WHETHER IT BE PROOF OF VACCINATION, FACE MASK, ETC.

14. **Parts Tracking**: If parts were shipped, it is your responsibility to gather Tracking# and ensure delivery BEFORE heading to site. If you do not, you will be paid $0.

15. **CIRCUMVENTING:** Is the practice of acquiring, or the attempt of, any client or end user(s) for the sole purpose to work directly with them. You understand by accepting this work order you are prohibited to these practices and must always have integrity when supporting our clients. Circumvention is a major policy violation and will result in permanent removal from any future opportunities.

*******FAILURE TO MEET ANY OF THE ABOVE CONTRACTUAL OBLIGATIONS WILL RESULT IN A LOW RATING AND/OR AN ADJUSTED OR NON PAYMENT*******
