Customer Policies & Procedures

PIVITAL Policies & Procedures

*****ATTENTION: ALL ITEMS ARE REQUIRED FOR PAYMENT****

-IMPORTANT: Present yourself as an representative of PIVITAL unless otherwise instructed in the work order. Do not promote any other company other than PIVITAL on this Work Order.

-All travel expenses (Excluding parking and tolls) must be accepted/approved with the counter offer, no exceptions.

-The requesting provider must be the provider who performs the actual service work onsite. You are expected to arrive onsite by yourself (no helpers, or assistants). Exceptions may be given but only upon prior approval by PIVITAL on this Work Order. Failure to comply with the above statements will result in loss of compensation on this work order.

-Dress Code: Business casual is required. No denim; t-shirts; logos or tennis shoes are allowed (work boots are acceptable).

-Print this work order and all additional documentation. Read the complete work order prior to arrival. Direct all questions to PIVITAL on this Work Order contact-NOT THE END CLIENT.

-Work performed outside the original Service Information detailed on this work order will not be compensated to the provider by PIVITAL on this Work Order unless it has been pre-approved by PIVITAL's Work Order manager. Requests by the provider for any payment increase must be documented in the messages tab of this work order, for any payment increase to be considered for approval. Additionally, pre-approval is required in work order messages for any expenses not in the work order when assignment occurs.

-By requesting this work order you agree to warranty all work performed on this work order to PIVITAL on this Work Order for a minimum period of 15-business days. Warranty period will begin from the date that PIVITAL on this Work Order has approved the work order electronically on the Field Nation platform. You will be required to repair all failed work, at no additional costs to PIVITAL on this Work Order within 3-business days of being notified of the warranty issue.

-You agree to provide PIVITAL on this Work Order with a 100% satisfaction guarantee. If you fail to fully complete the Services requested, then PIVITAL on this Work Order will not consider the work order complete.

-By accepting a work order you are stating that you have the expertise, tools and equipment required to perform the services in accordance with industry standards and practices.

-Acceptance of work order enters you into a legally binding contract to perform the services. By accepting this work order you agree not to solicit any business directly with PIVITAL's client that you are performing work for on this work order.

-The Spend Limit set on this work order is inclusive of all costs.

-If upon arrival you find that the work site is not ready for services you must contact the specified contact listed by PIVITAL on this Work Order prior to leaving the premises for further instructions. Failure to do so will be considered a 'No-Show' on your part.

-Deliverables are required within 12-hours of the completion of this work order. After the 12-hour threshold, a Late Closeout Penalty will be applied: 25% of labor

-Do not cancel appointments. In case of emergency contact PIVITAL on this Work Order directly. DO NOT CONTACT the End-User.

-Upon final project approval by PIVITAL on this Work Order, you will be paid by PIVITAL on this Work Order via Field Nation.
