Work Order Cancelation/Questions with the Scope of Work

- **If you are going to be late or canceling please call 508-635-2100 opt 1 - opt 5 and follow the correct process on the Field Nation Platform. Keep a record of who you spoke to when calling out. Un-notified late arrival and or not showing up to a job is damaging to the business and will result in being blocked from further work from Spencer Technologies as well as escalation within Field Nation.**

- Any questions or concerns about the scope of work should be directed to Spencer Technologies only. Failure to do so may result in removal from eligibility for future work from us.

Professionalism and Conduct

- While on this work order, you are a representative of Spencer Technologies. All interactions with the customer, store personnel, and Project Manager must be done professionally and be business-related. Infractions in this area including but not limited to arguments, use of profanity, and or vulgar/offensive language will be investigated which could result in permanent suspension from our work, non-payment of the work order, and escalation to the Field Nation Quality Team.
- Impairment from drugs, alcohol, or any other substance will not be tolerated.

Since most Spencer work orders are in retail environments, be aware that a bag check may be conducted when leaving the store. This is a standard security procedure to ensure that no items are unintentionally removed from the premises. It helps maintain a secure environment for both staff and customers. Thank you for your understanding and cooperation.
