Additional Fields

Full Work Description

We will only pay for 2 hours per system. Exceptions to this must have prior approval from HTG while on site. If you have reached the 2 hour mark, please contact HTG Dispatch immediately at**360-567-0869 ex. 2** or 360-607-1680 to discuss the situation.

Technician shall be responsible for replacing existing systems with new PCs at the client's office. The technician will need to back up and restore the end user's data using a USMT USB Script that will be provided. There may also be a computer on site that will need to be converted into a Resident's computer. The data will need to be backed up then the technician will imaged this system with a Win 7 Task Sequence USB.

Technician must follow instructions closely and work with HTG Dispatch throughout the process. Technicians are expected to check-out by phone by speaking with HTG Dispatch before leaving the site. Once the job has been completed technician will be responsible for taking the old equipment to a FedEx location and shipping it back to HTG, Inc.

Time on site:
We estimate 2 hours per system, the total time on site will vary depending on the number of systems to be installed. Technician will be required to call in and report their progress every 2 hours. Any issues on site should be reported to HTG Dispatch immediately in order to escalate and resolve problems in a timely manner.

Tools:
-Smartphone with camera or digital camera to upload required photos (you may use the facility's Wi-Fi, if needed)
-Spare Ethernet cable

Requirements:
-Reliable form of transportation
-Printed copy of install instructions
-Printed copy of Check-Out Form

Technician Expectations:

- Technician should leave the site/center as they found it or better.
- Must be professional and presentable during site visit. (Business Casual – khakis, polos, button-ups, etc.)
- Must be courteous and polite, with an emphasis on customer service.
- Must never be confrontational with staff, dispatch, or help desk.
- Must use their own cell phone for calls. Do not use the centers' business lines. Have a charged cell phone for the dispatch.
- If any photos are required, avoid having people in the photos. Review all photos with office manager prior to distribution.
- No smoking tobacco, chewing tobacco, or electronic cigarettes anywhere on the premises.
- No alcohol or drugs are allowed on the premises.
- Do not bring food to the site. Technician can take breaks and eat outside or in vehicle.
- Beverages may be brought in center but must use a closed container (e.g. water bottle with lid).
- Avoid leaving tools or equipment.**

1. Check-in Call: Please call the HTG Services number (360) 567-0869 **extension 2** upon arrival. In the event there is no answer, please call your Work Order manager - their number is provided in the Work Order. If you are unable to get through to them, contact an HTG Dispatch staff member at (360) 607-1680. If you are running late, notify HTG Dispatch immediately so we can notify the site.

2. Check in on Field Nation: Immediately upon arrival on site, check in using Field Nation. Please also call to check in with the HTG Services number (360) 567-0869 **extension 2**.
In the event there is no answer, please call your work order manager - their number is provided in the work order. If you are unable to get through to them, contact an HTG Dispatch staff member at (360) 607-1680.

3. Check in with the Site Contact (Site Manager): Introduce yourself to the Site Contact and inform them that you are there to install their new PCs. They should escort you to the office in which the boxes are located then show you were all of the systems being replaced are. They should also provide you with an envelope with USMT and Win 7 task sequence USB sticks.

4. Install PCs, Backup & Restore Data: Please see the attached deployment guide and check out form documents for specific instructions. Report any encountered issues to the HTG Dispatch at (360) 567-0869 **extension 2**.

5. Document Work Performed: Please see the attached deployment guide and check out form documents for specific instructions. When work has been completed, upload all required documentation to your Work Order.

7. Check-out Form: Fill out the Check-Out Form completely. It is important that you capture all data called out on the form. Please upload this along with the pictures you took to your Work Order. Documents must be uploaded prior to the check-out phone call to HTG. Check-out must occur on site.

6. Pack-Up Old Equipment: Use the boxes and packaging material sent by HTG to pack up all old equipment. Apply return shipping labels to each box and please write the CID# aka community number and the community name on the outside of the box.

All old equipment must be shipped back to HTG, Inc. Please call HTG Dispatch once all equipment is boxed up then take the boxes to the closest FedEx location.
Shipping:

HTG address for shipping:

*****PLEASE WRITE ON THE BOX & FEDEX LABEL THE CID AND COMMUNITY NAME WHEN SHIPPING ITEMS BACK*****

HTG, Inc.
2801 SE Columbia Way Building 31, Suite 110
Vancouver, WA 98661

Ship as FedEx Express Saver unless otherwise directed. Use HTG's account number, 382-212-673.

Time will be paid to travel from the office to the FedEx location.

8. Check Out: Immediately upon completion, call the HTG Services number (360) 567-0869 **extension 2**. In the event there is no answer, please call your work order manager - their number is provided in the work order. If you are unable to get through to them contact an HTG Dispatch staff member at (360) 607-1680. We will verify your deliverables**.**

There may be Wi-Fi available if you do not have a data plan on your phone. In the rare event that there is no internet connection, prior authorization to close the ticket and leave the site must be requested by phone call to HTG Dispatch, and documents must be uploaded

within 24 hours of your start time on site

.

Customer Standard Instructions

Customer Policies & Procedures

Each Technician and/or Service Company is solely responsible for reporting to and satisfying any local, regional or national Income Tax, VAT, Payroll Tax, Special Purpose Tax, Payroll Withholding Tax, Sales Tax, Use Tax, or any other applicable Tax to the appropriate governmental agency. Each Technician and/or Service Company agrees to fully report all payments and to all other legal requirements applicable under law (International or Domestic), including without limitation those applicable to the purchase and sale of Services from and by independent contractors. ANY applicable Tax must be added to and notated in the specific Work Order.

Technician Expectations:

- If the provider is expecting to arrive late, HTG Dispatch should be notified immediately and then field nation should be updated with new ETA.
- If you change your ETA from the initial ETA given, you must notify HTG Dispatch so we can notify our client.
- Provider must leave the site as they found it or better. Do not leave any trash/debris/sawdust onsite.
- Provider must never send an alternate technician to the site or bring any unauthorized assistants/helpers with them to site.
- Must be professional and presentable during site visit.
- Providers attire must be business casual. Khakis, polos, button-ups, etc.
- Must be courteous and polite, with an emphasis on customer service.
- Must never be confrontational with staff, dispatch, or help desk, if applicable.
- Must use their own cell phone for calls. Do not use the site's business lines. Have a charged cell phone for the dispatch.
- If any photos are required, they cannot have customers, employees or any sensitive information in the photo. The uploaded photo should be of clear focus.
- No smoking tobacco, chewing tobacco, or electronic cigarettes anywhere on the premises.
- HTG dispatch code word: Foxtrot
- No alcohol or drugs are allowed on the premises.
- Do not bring food to the site. Technician can take breaks and eat outside or in their vehicle.
- Beverages may be brought in but must use a closed container (e.g. water bottle with lid).
- Avoid leaving tools or equipment behind.
- If the provider is asked to complete any work outside of the work order instructions, they are to contact HTG Dispatch immediately for approval.
- If the work has not been completed by the max allowed hours, the provider must contact HTG Dispatch for approval to work additional hours.
- Provider must keep Field Nation status current.
- **Proper cable management is always expected.**
- Provider should never use any equipment, counters, desk tops or chairs to complete work. Keep it safe and use a step stool or ladder.
- Provider is responsible for holding all licenses required to perform low voltage/cabling work. The provider will be held responsible for any repercussions from not having the proper licensing,

Dispatches need to be completed within a 2-hour time frame.

- If a single dispatch is approaching the 2-hour mark, check in with HTG to receive further instructions.
- Technicians are not to remain on-site longer than 2-hours without prior approval from HTG or the client.
- This does not apply when the work order is published/assigned with a longer estimated work time.

Returning Equipment/Shipping Instructions
Should a return shipment be required, time will be paid to travel from the office to the FedEx location, unless you bid using a fixed fee in which case this is included in the scope of work.
HTG can provide the location of the nearest FedEx office for delivery if requested by the tech. The technician MUST use the provided FedEx location and account number.

Please use the included shipping label and drop the returning equipment off at the appropriate carrier (UPS or FedEx).
If no label is included, Use HTG's **FedEx** account number, 382-212-673 and have the equipment shipped back**(ground, unless otherwise instructed)**to:
HTG, Inc.
2801 SE Columbia Way
Building 31, Suite 110
Vancouver, WA 98661

Be sure to include the work order number on the shipment notes. Once you have a tracking number, it will need to be added to the work order.

Dispatch at a medical/dental office

If you are visiting a medical/dental office, HIPAA laws will need to be followed. It is vital that you do not take photos of medical files, confidential information, sensitive information, patients, guests, children or staff members.

For more information about HIPAA laws, please visit: https://www.hhs.gov/hipaa/for-professionals/privacy/laws-regulations/index.html

Out of pocket costs
If the provider needs to pay out of pocket for parking, toll bridge, materials and/or equipment a receipt and/or invoice is required for reimbursement. This includes materials used from personal stock. Nothing should be purchased/used without prior approval from HTG Dispatch.
