Full Work Description

Scope:
The Contractor shall provide services to Direct Source and their â€˜end clientâ€™ for the purpose of replacing the payment terminals and stands.

-

-

Available Work Days & Hours:
Â· All installation work must be completed Monday â€“ Thursday, 5 am to 12 pm.
Â· Total time on site is 8 hours per store.

Tools & Materials:
Â· Cell phone with fully charged battery and ongoing active account with your carrier
Â· Digital Camera with battery, memory card (cell phone photos are prohibited)
Â· Label Maker with batteries and tape
Â· Standard PC Tool Kit (i.e. screwdrivers, pliers, cutting knife, scissors, etc)
- Adhesive remover

-

Time & Materials:
T&M will be paid out at **$30.00 per hour.** Work that exceeds the total of expected hours on site time due to no fault of the Vendor will be paid at the hourly T&M rate in 15-minute increments. T&M will ONLY be paid when the issue was reported immediately and the Direct Source Support Desk or Direct Source Project Manager has documented the issue, and an incident number or ticket number has been assigned.

Onsite Procedure:
Â· Call Direct Source Help Desk upon arrival at each site
Â· Locate and inventory the payment terminals and stands, which was shipped to the store by Direct Source.

Â· Remove equipment from boxes and conduct inventory.
Â· Replace payment terminals at VOP sites first.

- Power Down register
- Remove existing terminal (leave cable in place for re-use)
- Install new terminal
- Power on register
- Remove old stand
- Install new stand

Â· Submittal of paperwork (â€œdeliverablesâ€) within 24 hours of site completion (for installs on multiple dates â€“ do not wait to submit daily deliverables)

Required Deliverables:
Â· Completed SAF
Â· Photos of installed Payment terminals

Site Revisits:
$30.00 Hour with a 2 Hour minimum; if the revisit cause is due to no fault of the Technician

Same Day Cancellations (SDC) & Say Day Reschedules (SDR):
Â· $30.00 per location
Â· Any Site that is Cancelled or Rescheduled on the planned installation date due to conditions outside of the Contractorâ€™s control (Examples include, inventory shortages, customer site readiness or customer late or no arrival). The on-site issue must be escalated immediately as defined in the Installation Guide. Contractor may not leave the End Customer site without Direct Source escalation & authorization in order to qualify for payment.

Project Preparation/Training:
Contractor must complete a mandatory training session (conference call or webinar) prior to the start of their assigned stores, unless other training arrangements are mutually agreed upon. During that training session, the Contractor will learn Direct Sourceâ€™s and End Customerâ€™s expectations, processes, deliverable requirements, project scope as well as lessons learned from previous installations. Direct Source will provide a detailed Installation Service Guide, which must be reviewed prior to project training, and must be brought to each installation.

****Escalations:**
Technician is to escalate any issues or changes to the Direct Source Support Desk. All of the following must go through the Direct Source Support Desk: Check in, leaving the site for additional materials, issues/delays onsite, problems with the local contact, and check out.

****Warranty:**
By accepting this work order, the technician agrees to a warranty of their preformed work, as well as materials they provide. Any revisit needed due to failure of services or parts provided by the technician will be done with no compensation for labor, travel, or parts.

****Dress Code:**
The technician is expected to act and dress professionally; closed toed shoes, polo with no words, and khakis are required.

Tasks

Some tasks below may be eligible for completion by calling 1-877-573-6330

1. Provider must set start time
2. Provider must **Download Schedule, ISG and SAF from the Direct Source Portal**
   (Code 109 122 423 04#)
3. Provider must **Complete training**
   (Code 176 129 533 04#)
4. Provider must check in
   (Code 112 125 443 04#)
5. Provider must call phone number **800-934-8055 x.561**
6. Provider must check out
   (Code 124 121 663 04#)
7. Provider must **Upload Deliverables and SAF to DSI Portal**
   (Code 120 123 573 04#)

Approval of Work

I acknowledge that the work has been satisfactorily completed.

Departure Time AM / PM

Date

CONFIDENTIAL!

The following information is confidential and should not be seen by anyone but you, the assigned provider.

Confidential Information

1. ***Service Level Agreement: All below timeframes are from the completion time of installation.***
8.1. 24 Hours: Required deliverables due to Direct Source.
8.2. 48 Hours: Late penalty apply at this time: 30% of contracted rate per effected site, and invoice payment for that site(s) may be withheld. If Direct Source has not received or has rejected the required deliverables due to failure to meet requirements, DirectSource will notify the Contractor via the Late Deliverable email indicating what is still outstanding. The Contractor will have up to the 3rd business day to a) submit the outstanding item(s), or b) return to the site at the Contractorï¿½s expense to remedy the outstanding items.
8.3. 72 Hours: In the absence of the Contractor remedying the outstanding deliverable item(s), penalties equal to the cost of dispatching a Contractor to obtain the required deliverables will be applied to the outstanding invoice amount for the effected site(s).
8.4. Late deliverables are defined as any documentation and/or photos required per the Installation Guide, and not received by end of the next business day after the scheduled installation date. This also includes deliverables that are incomplete, inaccurate or illegible.
8.5. Late fee penalties will not be waived for any reason.
9. Deductions: Direct Source will deduct the current retail value of equipment or property that is not returned (for any reason, including without limitation, as a result of theft) when requested by Direct Source or is damaged. Direct Source may also deduct the value of damage caused during the install or thereafter by Contractor and its technicians. If value of any unreturned or damaged equipment or property exceeds the payment amount due under this Agreement, Direct Source will invoice Contractor for the difference, and Contractor shall pay such invoiced amount within 15 days of receipt of such notice. Direct Source will forward the following deductions to the Contractor for the following events. These deductions are being enforced by the End Customer.

2. **Direct Source Obligations:** Direct Source will provide all Contractors with their pre-confirmed schedules, including store number, address, city, state and ZIP code via the Direct Source portal. Schedule updates will be provided on the Direct Source portal, as needed.
2.1. Direct Source will provide Installation Instructions, SAF, and initial contractor schedule via the Direct Source portal.
2.2. Direct Source will provide training to review the project via conference call.
2.3. Direct Source reserves the right to change the scope of the Services, total site count and schedule for completing such Services, with or without notice, at any time after the execution of this Agreement. Direct Source shall not be responsible for any costs or expenses incurred by Contractor as a result of the change of the scope of Services as requested by the End Customer including, without limitation, a reduction in number of sites or change in site location.
3. **Project Preparation/Training:** Contractor must complete a mandatory conference call training session prior to the start of their assigned route. During that training session, the Contractor will learn Direct Source and End Customerï¿½s expectations, processes, deliverable requirements, project scope as well as lessons learned from previous installations. Direct Source will provide a detailed Installation Service Guide, which must be reviewed prior to project training, and must be brought to each installation.
3.1. Contractor may NOT subcontract any part of this contract for work without prior written approval from the Direct Source Project Manager.
4. **Expectations & Requirements**: Direct Source and End Customer have a specific ï¿½Code of Conductï¿½ that must be adhered to at all times. Code of Conduct and other requirements are as follows:
4.1. Dress Code:
4.1.1.Allowed: Comfortable clothing such as khakis, jeans, polos, plain T-shirts or collared shirts
4.1.2.Not Allowed: Clothing that is ripped, dirty, has holes, or may be considered offensive; shorts, sandals, T-shirts with ï¿½sayingsï¿½ on them (small clothing manufacturer logos are acceptable).
4.2. Presentation:
4.2.1.Contractors are expected to present themselves in a professional fashion. If Direct Source receives reports or feels there is a need for concern over a Contractorï¿½s behavior that could jeopardize our relationship with the End Customer or create a safety concern, Direct Source reserves the right to cancel Contractor from the project. Specific examples include, but are not limited to: damage or loss to equipment or property, theft of equipment or property, suspected use of alcohol or drugs, smelling of alcohol or drugs, theft, offensive language or gestures, or other inappropriate behavior.

4.3. Travel Arrangements:
4.3.1.Contractor is expected to make and pay for their own travel arrangements such as car rental and hotel.
4.3.2.It is strongly suggested that Contractor have a map of his or her coverage areas, both state and city levels for reference.
4.3.3.Contractor MUST be able to rent a car, if required, or have a RELIABLE transportation.
4.3.4.Contractor is responsible for determining their own travel path between sites.
4.3.5.Contractor MUST have a usable major credit card for use throughout this project.
4.4. Contractor Required Equipment, Tools & Hardware:

4.4.1.Contractor is required to have the following list of equipment and materials to be used throughout Contractorï¿½s agreed upon assignment to this project.
4.4.1.1. Cell phone with fully charged battery and ongoing active account with your carrier
4.4.1.1.1. Digital Camera for verification photos. Direct Source will accept digital photos taken from a camera or from a cell phone, within the following guidelines:
4.4.1.1.1.1. Camera or Cell Phone must be capable of a minimum of 1.2 mega pixels
4.4.1.1.1.2. Camera or Cell Phone must have a flash
4.4.1.1.1.3. Camera or Cell Phone must be able to Zoom in/out
4.4.1.1.1.4. Camera or Cell Phone must allow user to check quality of picture while onsite
4.5. Use of Equipment:
4.5.1. All equipment shall be stored in the area designated by the End Customer representative, and out of the way of daily activities.
4.5.2. Contractor shall notify Direct Source immediately of any site occurrence such as damage, injury, safety violation, unplanned change in resources, etc. so Direct Source may provide timely reports to End Customer. Following this notice from the Contractor, Direct Source will notify the End Customer Corporate offices.
4.5.3. Contractor shall notify the MOD immediately of any site occurrence such as damage, injury, safety violation, unplanned change in resources, etc. so the MOD may record the incident in the store logs.

5. **Service Acceptance:** All service tasks must be completed, in order, as specified in the ISG unless otherwise expressly approved by the Direct Source Project Manager in writing. Local End Customer DOES NOT have authorization to change service tasks.

5.1. On-Site Service Delay Procedures:
5.1.1. The Contractor is required to verbally notify Direct Source at check out of any delays on-site that exceed 15 minutes.
5.1.2. The Contractor is required to follow up to the above verbal notice by documenting the delay cause and time to resolution on the provided SAF and at check out with the Direct Source Help desk.
5.1.3. The Contractor is required to check with the Direct Source Help Desk to determine what work can be completed during the delay.
5.1.4. This documented delay information will be used: 1) to track issues, 2) provided to the End Customer on status reports, 3) to clearly identify if additional billable time is due to the Contractor. (Additional billable time is only applicable for delays that cause the Contractor to exceed the expected time on-site and are SOLELY caused by Direct Source or the End Customer.)
5.1.5. DIRECT SOURCE IS NOT RESPONSIBLE FOR ADDITIONAL PAYMENTS IF THE CONTRACTOR DOES NOT FOLLOW THE ABOVE PROCEDURES.

5.2. Each required Project Document must be filled out completely, legibly, and provided to Direct Source in accordance with the instructions included in the ISG.
5.3. Failure to fully and accurately complete, or deliver on time all required deliverables, or failure to deliver Services according to Section ï¿½10.1ï¿½ ï¿½On Site Service Delay Proceduresï¿½ above would result in the Service Order being deemed incomplete. Direct Source agrees to notify the Contractor within 48 hours of the sites completion, the specific nature of any such failure to conform to the contracted service and afford the Contractor the opportunity to remedy such failure in a mutually agreeable and timely fashion.
5.4. Contractor will address incomplete or inaccurate installations caused by the Contractors failure to complete the work according to ISG at no additional cost to Direct Source or End Customer and on a timely basis.
5.5. Any damage caused to equipment or property, or loss of equipment solely caused by the Contractor or his actions during the installation process will be remedied according to Section 15 Deductions of this Agreement. If damage caused by the Contractor results in the need for a subsequent Contractor to visit the Site, this visit shall be provided at no additional cost to Direct Source or End Customer.
5.6. Deliverables: Deliverables are defined as any documentation and/or digital photos required per the ISG. Required deliverables are as follows:
5.6.1. Completed Service Acceptance Form (SAF)
5.6.2. Digital Pictures with proper labeling conventions as outlined on the SAF

6. **Service Location:** Provided on the Direct Source portal. Contractor may not make changes to the provided schedule. Direct Source will notify contractor as quickly as possible, via email, if any changes are made to the schedule. Contractor will be responsible for being available and able to complete all installs on the provided schedule and for making any travel arrangements between service locations. Direct Source shall not be responsible for any costs or expenses incurred by Contractor as a result of the change in service locations or force majeure.

7. Site revisits: $36.00 per hour with a 2-hour minimum, paid in 15 minute increments. Revisit costs will only be paid if the cause of the revisit is due to no fault of the Contractor.

Assistant techs will be paid according to the predertimed time on site. The amount has been added to this work order.

Customer Standard Instructions

Preparation Before Installation:

1. Log onto the Direct Source Portal to download/ print project related documents and to view your schedule.
2. Complete Mandatory Informational Meeting (Webinar, Conference Call, Quiz…etc. Instructions will be made clear to you)
3. Verify you have all the required tech tools and project documents packed away and ready for use for the installation(s)
4. Call the Direct Source Project Team or the Direct Source Help Desk if you have any questions.

Date of Installation:

1. When arriving onsite, call the Direct Source Help Desk to “check in”.
2. Depending on the project, you may have to call the Customers Help Desk to also check in. Instructions will be made clear to you.
3. Follow Steps in Installation Guide.
4. Call the Direct Source Help Desk with: Issues, delays, questions, exceeding time onsite.
5. Take all before/ after photos and have Service Acceptance Form (SAF) filled out completely. Site contacts signature should also be obtained on form when installation has ended.
6. Call the Direct Source Help Desk to “Check out” and to obtain the unique checkout code.
7. Depending on the project, you may have to call the Customers Help Desk to also check out. Instructions will be made clear to you.
8. Before a site is considered complete, ALL project deliverables must be uploaded to the Direct Source Portal. (Generally deliverables are due within 24 hours of site completion but instructions will me made clear to you).

Customer Policies & Procedures

Technician agrees to the following:

In consideration for entering into an agreement with Direct Source, Inc. to provide certain services, and in further consideration for permission to use certain equipment, including but not limited to ladders, lifts, and other equipment owned or leased by Direct Source, Inc. or its customers, the undersigned, for and on behalf of its self, employees, agents, and independent contractors collectively, voluntarily agrees to the terms of this RELEASE OF LIABILITY AND HOLD HARMLESS.

User has acquainted itself with rules of safety applicable to such equipment. User assumes the risks associated with the use of such equipment. User has been given an opportunity to examine the equipment and has developed its own opinion based upon such examination and not based upon any representations or warranties of any of the Released Parties (defined below).

User hereby releases, waives, and forever discharges Direct Source, Inc., its officers, directors, shareholders, employees, agents, partners, members, and its successors and assigns Released Parties, from each, any, and every and all manner of claims, demands, actions, causes of action, administrative claims, liability, damages, claims for punitive or liquidated damages, claims for attorneys’ fees, costs and disbursements, expenses, judgments, executions, liabilities or losses, whether known or unknown, liquidated or unliquidated, fixed, contingent, direct or indirect, legal or equitable, individual or class action claims, and demands of any kind whatsoever, arising from or by reason of any bodily injury or personal injuries known or unknown, death or property damage resulting from or relating to my use of such equipment, whether or not such injury, property damage, or death is caused by negligence.

Direct Source, Inc. has not and shall not be deemed to have made, and the Released Parties HEREBY SPECIFICALLY DISCLAIM any guarantee, representation or warranty, express or implied, with respect to the equipment as to its value, condition, assembly, manufacture, performance, operation, maintenance, use, design, compliance with description, compliance with instructions, merchantability, fitness for any particular purpose, quality, patent or trademark infringement, or workmanship, or any warranties or representations arising out of customary trade usage and prior course of dealing, whether in contract or tort and whether or not any defect is apparent or latent on the date of this release.

The Released Parties shall have no liability as a result of, arising out of, or related to, loss or damage caused or alleged to be caused directly or indirectly by the equipment or by any inadequacies thereof or deficiency or defect thereon or by any other circumstance in connection therewith related to the use, operation or performance of the equipment.

User will not sue or make any claim against the Released Parties for or in connection with any injuries or damages released herein. User will defend and hold the released parties harmless from and against any and all claims, obligations, damages, (whether direct, indirect, incidental, special or consequential), losses, liabilities, suits and judgments and costs, including attorney’s fees, incurred in connection with Users use or possession of the equipment and any action initiated or presented by any person or organization which are based on or arise directly or indirectly from the claims released herein.

The use, possession, or operation of equipment has inherent dangers including, without limitation, personal injury and death that no amount of care, caution, instruction or experience can eliminate. USER EXPRESSLY AND VOLUNTARILY ASSUMES ALL RISK OF DEATH OR PERSONAL INJURY SUSTAINED WHILE USING, OPERATING, OR POSSESSSING THE EQUIPMENT EXCEPT TO THE EXTENT CAUSED BY THE INTENTIONAL, WILLFUL, OR RECKLESS CONDUCT OF THE RELEASED PARTIES OR ANY OF THEM.

This agreement is a contract by which User has released certain claims against the Released Parties arising from, relating to, or resulting from User’s use, operation, or possession of the equipment, including, without limitation, any claims related to the negligence of the Released Parties.

The terms and conditions of this Release of Liability and Hold Harmless shall continue in full force and effect now and in the future at all times during which User has use of, access to, or possession of, the equipment. This release is an ongoing release and remains in effect until User has revoked it in writing.

If User institutes any suit or action at law for any claim for damages or cause of action because of injury or death to my person or property arising out of my use or possession of the equipment, the Released Parties can and will use the waivers in this Release of Liability and Hold Harmless and waivers of this type have been upheld in courts in similar circumstances.

User understands that User is assuming 100% of the risk of injury or death directly or indirectly arising as a result of my use, operation, or possession of the equipment. This release shall be governed by the laws of the State of Minnesota. If any portion of this release is held invalid by a court, it is agreed that the remainder of this release shall continue in full legal force and effect notwithstanding the invalidity of any portion of it

Presentation:
Technicians are expected to present themselves in a professional fashion. If BUYER receives reports or feels there is a need for concern over a Technicians behavior that could jeopardize our relationship with the End Customer or create a safety concern, BUYER reserves the right to cancel Technician from the project. Specific examples include, but are not limited to: damage or loss to equipment or property, theft of equipment or property, suspected use of alcohol or drugs, smelling of alcohol or drugs, theft, offensive language or gestures, or other inappropriate behavior.

Use of Lifts & Equipment:
All equipment and lifts shall be stored in the area designated by the End Customer representative, and out of the way of daily activities. Technician is required to ensure that the lifts are properly stored, charged, and ready for operation as needed on a daily basis. Technician bears all responsibility risks and liability for use of the lifts. At no time shall BUYER or End Customer be responsible for damage to or caused by the lifts. Technician shall maintain proper insurance.

Technician shall notify BUYER immediately of any site occurrence such as damage, injury, safety violation, unplanned change in resources, etc. so BUYER may provide timely reports to End Customer. Following this notice from the Technician, BUYER will notify the End Customer Corporate offices.

Technician is responsible for all labor and sales taxes.

Deductions: Direct Source will deduct the current retail value of equipment or property that is not returned (for any reason, including without limitation, as a result of theft) when requested by Direct Source or is damaged. Direct Source may also deduct the value of damage caused during the install or thereafter by Service Pro and its technicians. If value of any unreturned or damaged equipment or property exceeds the payment amount due under this Work Order, Direct Source will invoice Service Pro for the difference, and Service Pro shall pay such invoiced amount within 15 days of receipt of such notice.

USER HAS CAREFULLY READ THIS RELEASE AND HOLD HARMLESS, FULLY UNDERSTANDS, ACKNOWLEDGES, AND AGREES TO ITS CONTENTS AND SIGNS IT OF USERS OWN FREE WILL.
